THE GALAXY OF HIGH ACHIEVERS

As usual, the Sargodhian minority that changes problems into opportunities, this year, too, kept its tradition of excellence up. The 34th Entry Sargodhians swept the board positions clean by claiming the first three positions in the HSSC Exam - 2006. Hassaan Khan (2443-F), Ikrash Munir (2353-Fn) and Syed Waqar Raza not only secured the first three positions in Pre Engg Group but were also declared overall top scorers in the BI&SE Sargodha respectively.

Although the board does not announce the positions in the First year Exam, looking at the numbers obtained by Sargodhians, one can safely declare the positions. Saim Musharraf (2473-Sf) got the highest numbers, i.e. 490 followed by Arsalan Naeem (2478-Fn) with 488 marks. The third slot this year is shared by two Sargodhians, Ali Amjad (2463-Fn) and Adnan Manzoor (2483-S) with 483 marks each.

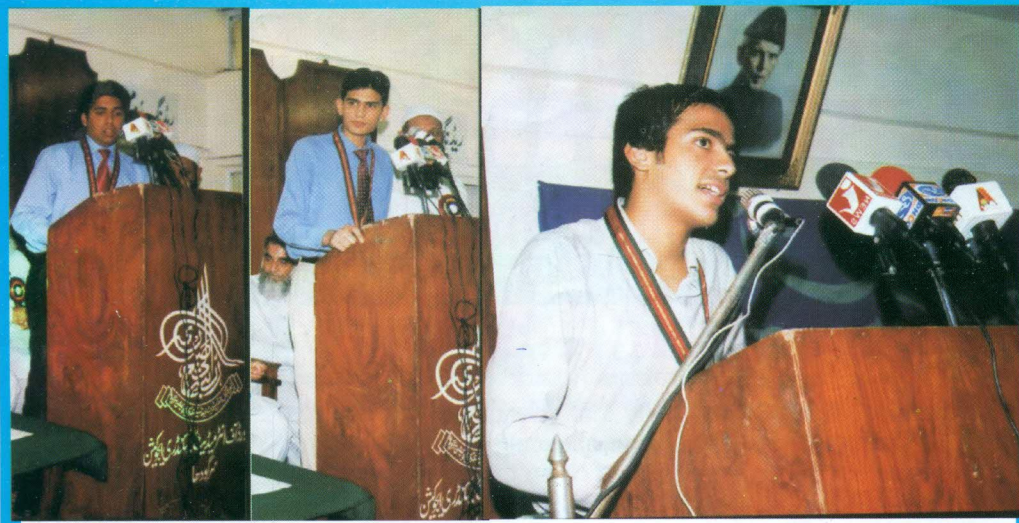

In the Matric Board Exam, the School sent 78 boys. Out of these 74 cleared their exam in A+ grade, whereas the remaining four boys passed it in A grade. M Bilal Alam (2613-Fn) with 966 marks was the leader, following his footsteps came Shehryar (2560-F) with 954 marks. The third place was once again shared by Bilawal (2536-Sf) and Mahad Nayyer (2597-T) with 952 marks each to their credit.

The Chief of the Air Staff, Air Chief Marshal Tanvir M Ahmed and the Vice Chief of the Air Staff, Air Marshal Raashid Kaleem conveyed their pleasure and appreciation for such outstanding performance by the boys and the school. They urged upon the students and the staff to be consistent with staunch belief in hard work.

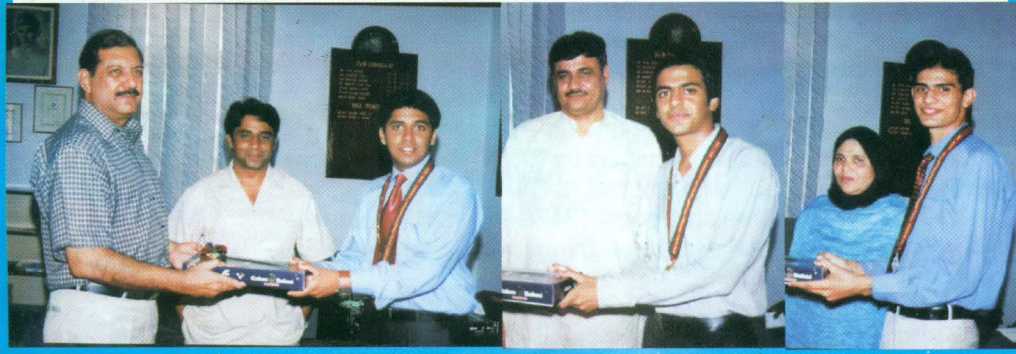

Commenting on the euphoric state of boys, someone jotted a gem of a quote by Aristotle on the Care to Share Board: "We are what we repeatedly do. Excellence, then, is not an act, but a habit."

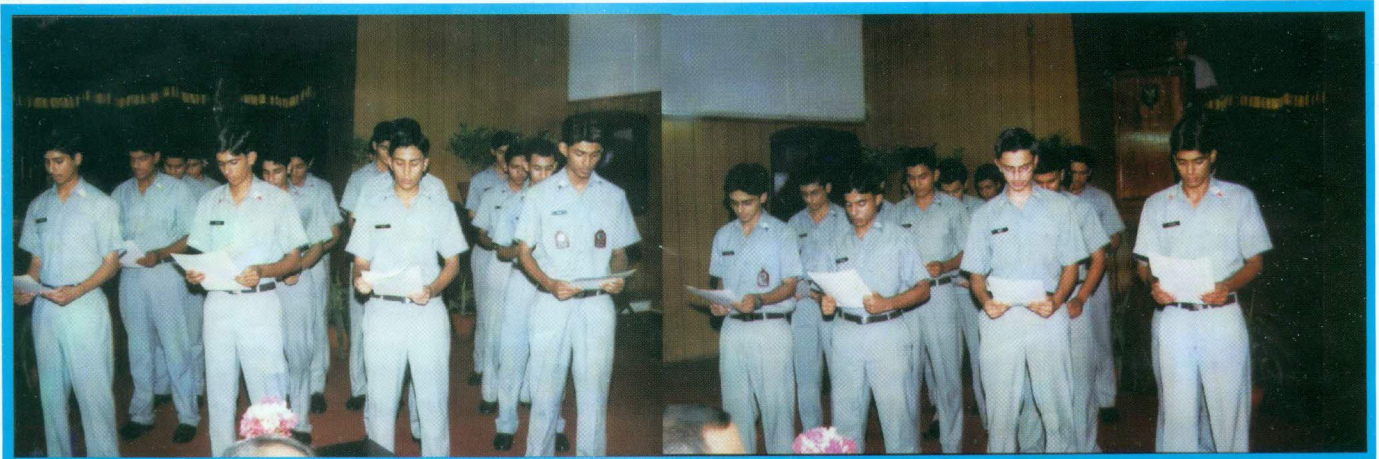

- 2nd Year: Hassaan Khan (1st), Ikrash Munir (2nd) and Syed Waqar Raza (3rd)
 Matriculation: Bilal Alam (1st), Shehryar (2nd), Mahad Nayyer (3rd) and Bilawal (3rd)
 1st Year: Adnan Manzoor (3rd), Ali Amjad (3rd), Arsalan Naeem (2nd) and Saim Musharraf (1st)

Sargodhians made a clean sweep of the first three positions in the F Sc Exam, not only in the pre Engg group but also in overall ranking. Their enviable performance was lavishly appreciated both at the Board as well as at the School. Our photographer captured some of these joyous moments on camera. Strwn on these inner pages are the smiles of the winners. Behind these smiles are humble souls who acknowledged the importance of consistent hard work and the laudable role of the School in making them stand tall.

In Brief

★ In the second week of August, while coming to the School, the Principal's car met an accident on Sargodha-Jhang road. Resultantly, the Principal received multiple injuries and fractures. Luckily the driver of the car escaped with minor injuries. He was immediately rushed to PAF Hospital, Sargodha, where the doctors quick and efficient help made him recover from the initial numbing blow of the accident. Later on he was shifted to CMH Rawalpindi, where he was operated upon for fractures. The news of his accident jolted the entire school community. Together the entire school offered prayers and *Quran Khuwani* for his speedy recovery. God in His infinite mercy heard the supplicants: he is back in his seat, the same workaholic soul. The metallic stick that he uses for walking support is there to stay for few more weeks. Those who saw the accident-stricken car describe his survival as a miracle.

★ The 37th Entry visited the PAF Base Lahore on 06 September, 2006. The Base had arranged a wonderful display of fighter planes and other relevant material. The boys were briefed by pilots about the planes on display. They, also, watched the Air Warriors exhibiting their flying skills in different formations. The trip added to their longing to be the fighter pilots themselves.

★ The 38th Entry went on an educational visit to the Salt Mines, Khewra on 16 September, 2006. The boys were given a guided tour of the mines. They came back happy and well informed.

★ Cdr (R) Arun Parkash Bhattacharya, former Indian Naval officer and present Honorary Teacher at Rashtrya Indian Military College, Derha Dun, India visited the school for three days (21 - 23 Sept, 2006). The purpose of his visit was to research for a Coffee Table Book on Mr Hugh Catchpole, former Principal, PAF Public School Sargodha. During his stay, besides pouring over the old magazines in the School History Room, he, also, called on the Principal and Vice Principal.
