## ACADEMICS.

### Cambridge Overseas School Certificate, December 1959.

Of the 21 candidates who appeared, 19 obtained their School Certificates, one passed the General Certificate of Education, and one failed. This is our best result so far. Although the proportion of 1st Divisioners was not high, this was compensated for by a low proportion of third Divisioners. Iqbal Jawaid (218F) set up a new School record in the number of marks obtained.

It is a fair indication of the difference in standard between the Cambridge School Certificate and Matriculation Examinations that the boy who failed in the School Certificate Examination appeared for his Matriculation three months later and passed in the first Division with very little time for preparation.

Details are as follows :

- 1st Division :* Shameem Hussain, Iqbal Jawaid,  
Mushfiq Ahmad Choudhry.
- 2nd Division:* Shahid Munir, Hamayun Qutb, Mohammad Ali Qayyum,  
Iqbal Karim, Pervez Iqbal, Abbas Hussain Mirza, M.A  
Qadeer Khan Masood, Nasir Mahmood, Chaudhry  
Mohd Sadiq, Jahangir Khan, Mushtaq Ahmad, Shahid  
Aziz.
- 3rd Division :* Abdus Sami Ahmæd, A. F. M. Qamaruddin, Haroonul  
Rashid Nizam, Mohammad Mujibul Haq.
- G. C. E.* Arshad Latif Mir.
- Failed :* One.

### Matriculation Examination, April, 1960.

All our 58 candidates passed, 52 in the First Division five in the Second Division, and one in the Third Division. Three of the First Divisioners won Government Scholarships. This result gained us top place among the English-medium Schools and won us an award of Rs. 5000/- from the Board of Secondary Education, Lahore. Incidentally this is the first time that the number of our candidates has been sufficient to make us eligible for such an award. The result is all the more creditable in view of the fact that no boy was held back and the average age of our candidates on 1st April, 1960, was only 15 years and 7 months.

Of the Old Sargodha boys who were already there six were sent for training in the U.S.A. viz:

Humayun	(40A)	Salim Gohar	(128S)
Ahsan	(77F)	Afzal	(156T)

In addition Pervez Iqbal (183A) was selected for training at the Royal Air Force College, Cranwell, U. K.

It is hoped that in future our correspondent at Risalpur will keep us more in the picture about the activities and appointments of the Old Sargodha boys at the College.

## NEWS FROM KAKUL

Our correspondents at Kakul have kept us well supplied with information. The following is an extract from a letter received from A. Rauf Khan (Ex-38F) in April, 1960:

"The end of the Winter Term is coming and we are looking forward to the Passing-Out Parade on 23rd April. Company Senior Under-Officer Manzoor (Ex-54S) is passing out from the Old Sargodhians on 23rd April, 1960,

In the beginning of this Term Ashraf (105F), Shahid (104S), Qadir (131A), Babar (151S) and Zia (143A) joined the Academy.

Now the Sargodhians consist of:

- |                      |  |
|----------------------|--|
| V Term (final term)  | Senior Under Officer Manzoor (S)                                 |
| IV Term (Semi-final) | A. Rauf Khan, (F) Anis (S), Gul Bedshah (T) and<br>Iqbal Haq (T) |
| III Term             | Humayun (S), Nazar (T)   |
| II Term              | Mirza (F), Masood (T).   |
| I Term               | Ashraf (F), Qadir (A), Babar (S), Zia (A), Shahid (S).           |

Thus the total number is just over a dozen! The Sargodhians are doing very well here at the P.M.A. Most of them are coming high up in their classes and platoons. It is worth mentioning that Junior Under-Officer Muzammel was the runner up for the Norman Gold Medal and Senior Under-Officer Wahab was the Winner of the Sword of Honour when they passed out last year."

Thus S. U. O. Manzoor passed out in April while the four fourth termers mentioned in the letter got their commissions in October. Of these, Anis Akram attained the rank at the P. M. A. of Senior Under-Officer and Rauf that of Junior Under-Officer. Others to obtain appointments were Humayun (Senior Under-Officer) and Nazar (Battalion Sergeant Major).

Mutahir (Ex.73F) was the only further addition to the strength of the Old Sargodha Boys at Kakul.

Special mention must be made of the magnificent achievement of Cadet Malik Ghulam Mohammad (Ex-57A), who won the Queen's Medal and the Silver Stick at the Passing Out Parade at the Royal Military College, Sandhurst, in July - the first time a non-British Cadet has ever won such a distinction.

## THE ODDITIES OF ENGLISH.

The English, dear friends, I am sure you'll agree  
Have the funniest language there ever could be.

The Masculine Pronouns are 'he', 'him' and 'his'  
So why aren't the Feminine 'she', 'shim' and 'shis' ?

The three forms of 'drink' are 'drink' 'drank', and 'drunk'  
So why don't they likewise say 'think', 'thank' and 'thunk' ?

They talk of one 'mouse' and the talk of two 'mice'  
Then surely the plural of 'house' should be 'hice' ?

One man plus one man make a couple of 'men'  
So why, when it's hot, don't we switch on the 'fen' ?

The plural of 'foot' so they tell us is 'feet',  
Yet the plural of 'boot' they call 'boots' and not 'beet'.

The three forms of 'sad' are 'sad', 'sadder', 'saddest',  
Then why is it wrong to say 'bad', 'badder', 'baddest' ?

'Tough', 'cough', 'bough' and 'though' all look just the same,  
But when we pronounce them !——it sure is a game.

But enough of this nonsense. It puzzles one vastly,  
Let's stick to our notes and we'll learn it quite fastly.

Iqbal Jawaaid.

## GUESS WHO

My first is a youth from Bengal,  
 Who proves Darwin right after all:  
 Many books has he read,  
 And he likes his warm bed,  
 But smoking he loves best of all.

My second, too, comes from Bengal,  
 Whom well might we 'ban manus' call:  
 He can box and can swim,  
 But at studies he's dim,  
 In fact he knows nothing at all.

My third has a single track mind,  
 His thoughts are to cricket confined:  
 For him not to books  
 But to square cuts and hooks  
 His attention is always inclined.

My fourth one has nice wavy hair,  
 And chasing the dames is his flair:  
 We call him L. K.  
 But I really can't say  
 What it means, for it wouldn't be fair.

My fifth is as tall as a tree,  
 And as thin as a boy can well be:  
 And when he's in bed  
 His feet and his head  
 Protrude some six inches, maybe.

My last causes constant despair  
 By the state of his clothes and his hair:  
 No masters or prefects  
 Can cure his defects:  
 Such species as he are most rare.

### TEMPEST HOUSE REPORT

<i>Housemaster:</i>	1st Term	Mr. Zafar Alam (Mr. Taqvi being on leave)
	2nd Term	Mr. S. M. Taqvi.
<i>Asstt. Housemaster:</i>	1st Term	Mr. Khaliq Ahmed Qureshi.
	2nd Term	Mr. Zafar Alam.
<i>P. T. I.</i>		Mr. Mahboob Alam.
<i>House Captains:</i>		A. Sami (left in March to join Risalpur).
		M. A. Qayyum (from March).
<i>School Prefects:</i>		M A. Qayyum, Khalid Raza, Khairul, Shahid Raza (in succession).
<i>House Prefects:</i>	(Jan - March)	Khalid Raza, Khairul, Shahid Raza.
	(March - May)	Shahid Raza, Nasir Mahmood, Mir Mahboob Ali.
	(Sept: - Dec)	Nasir Mahmood, Mir Mahboob Ali.

This year we achieved a goal for which we had been striving hard for the past seven years. In other words we at long last won the Chigwell Shield, which is awarded to the House winning the greatest number of points in the twelve Inter-House Competitions which take place during the year. That the margin of victory was only one point shows how hard we had to struggle and this made the fruits of victory even sweeter. Our success was the outcome of a really fine spirit of endeavour and co-operation among the boys in the House, and I think we earned a well-deserved reputation as being 'modest in victory, cheerful in defeat'. We won the Cricket, Boxing, Basketball and Drill outright and were runners-up in the Debate, Swimming, Hockey and P.T.

Apart from the Inter-House Tournaments we run certain competitions within the House. These include Table Tennis, Debating, Chess, Draughts, Badminton and Dormitory Inspection, for the last of which a permanent trophy has been purchased. Owing to the crowded programme at the end of last term, the Badminton Finals and Prize Distribution had to be postponed to the beginning of 1961.

The following have been declared the winners :

<i>Table Tennis :</i>	Seniors — Maqsood.	Juniors — Safi.
<i>Debate :</i>	Seniors — Riaz.	Juniors — Muquit.
<i>Chess :</i>	Seniors — Moti.	Juniors — Habib.
<i>Draughts :</i>	Seniors — Moti.	Juniors — Jamal.

Dormitory III was declared the best. Humayun was the Dormitory Captain in the 1st term and Siraj in the 2nd.

On 23rd March, 1960, the House celebrated the Pakistan Republic Day in a befitting manner, the high-lights of which were illuminations and a variety programme. The House was also illuminated on Id Day and Id-Milad-un-Nabi.

The House now has a far more homely and attractive look about it than in past days. There are now plenty of pictures, curtains in every room, attractive bed-spreads, a well furnished radio room and an adequate library of well chosen books, while the recreation room is now far better equipped than was once the case. We owe much to the Principal and Administrative Officer for providing these amenities and to the boys who devote much of their spare time in looking after the various rooms.

To deal briefly with our achievements in the Inter-House Competitions. We made a good start by winning the Cricket Cup, to which success both Seniors and Juniors contributed equally, each winning two of their three matches. We did even better in Boxing, which was the next event. No less than 10 of our boxers reached the Finals, consisting of 14 bouts. Khalid, Humayun, Akmal and Ayub were the champions in their respective weights and we won the trophy by a good margin.

In Indoor Games we had to be content with 3rd position although Moti and Habib were the unbeaten champions in the Senior and Junior Chess matches. But we again asserted our superiority in the Basketball Competition, in which our Juniors won all three matches and the Seniors two.

In Debating our Junior Team, consisting of Muquit and Farooq, tied with Fury for 1st place but our Senior pair were beaten by a narrow margin and so we were runners-up. The position was reversed in the Swimming Competition for here our Seniors were the champions but our Juniors were no match for Attacker Juniors and we had to be content with second place. Shahid and Momin, who were 1st and 2nd in the plunge, set up a new team record, while Nasir and Irshad were declared the best Senior and Junior Divers respectively.

Our Juniors managed to draw all their matches in the Football Competition, but our Seniors, weakened by the departure of Khairul and Munir, our two best players, could do nothing. We fared very well in the Hockey until the last match when we were unexpectedly beaten by Fury Seniors, which put us into 2nd place. We occupied the same position in the P. T. and Gymnastics Competition. The P. T. team, led by Siraj and commanded by Mehboob, outshone the other three teams, but we went down in the Gymnastics owing to mistakes by our commander.

In the last two events, Academics and Athletics, we could secure only third and fourth positions but by then we had a sufficient lead to ensure our winning the Chigwell Shield.

All the candidates from Tempest House passed both in the Senior Cambridge and Matriculation Examinations, while Akram is to be congratulated on winning a Government Scholarship. In the December School Examinations Muquit, Safi Mustafa, Rauf, Jamal and Amin-ul-Haq won academic prizes.

Finally we should like to mention that most of the prominent members of the S. A. T. C. Wing come from Tempest House. Four out of the six who gained Category 'C' in Gliding this year (Humayun, Shahid Raza, Akmal and Mehboob) were from our House, while Humayun won the 'soaring' prize, setting up a record of 2 hours 12 minutes and reaching a height of 7,600 feet.

House Colours were awarded to the following :—

<i>Cricket :</i>	Maqsood and Ejaz.
<i>Boxing :</i>	Humayun and Qayyum.
<i>Basketball :</i>	Gohar and Jasheem.
<i>Swimming :</i>	Munir and Momin.
<i>Football :</i>	Jasheem and Saklaan.
<i>Hockey :</i>	Islam Mustafa, Akmal, Maqsood and Ejaz.
<i>Gymnastics :</i>	Islam Mustafa, Humayum and Siraj.

### ATTACKER HOUSE REPORT.

<i>Housemaster</i>	Mr. Fasihuddin.
<i>Asstt. Housemaster :</i>	Mr. A. B. Chughtai.
<i>P. T. I.</i>	Sgt. Hussain.
<i>House Captain :</i>	Anis-ur-Rehman (till April, 30th). Ali Azam (from May).

<i>House Prefects :</i>	Riaz Salim, Javed Akbar, Ali Azam (till May). Erfanuddin, Qamrul (2nd Term).

The House made all-round progress during the past year and we can certainly look back with pride upon our achievements in various fields of activity. We lost the coveted Chigwell Shield by just one point which in itself is ample proof of how well we have been doing.

We were unlucky not to get the Cricket cup although we shared equal points with Tempest House, which became the Champions on the basis of more wins in the

Seniors' matches. We also did fairly well in boxing, basketball and indoor games and in each finished second in order of merit. As usual, the Attackerites swam like fish to win the Swimming Cup, thus maintaining our unbeaten record. The cup has remained in the House ever since we won it in 1955. This was followed by the football shield which we richly deserved as our boys gave an excellent display of stamina and skill in all the matches. However, we did not fare well in hockey and slumped from first to fourth position, most of our good players, including our star player Khizar, having left the School. P.T. and Drill brought some more set-backs, but we finished the year by registering a convincing victory in athletics, and what a reversal of fortunes! We had never won it before and Fury House had never lost it.

Apart from our own achievements in the Inter-House Tournaments we have also been making a substantial contribution to the successes of the School teams in various fields of sports, especially football, cricket, athletics and swimming. It goes to our credit that out of a team of nine boys who were sent by the School to participate in the West Pakistan Juniors' Swimming Championship, five were from our House. We are also proud of the achievements of Warsi (392) in athletics. Representing the School in the West Pakistan Juniors' Athletics Meet this year, he was adjudged the best athlete in his age group and was also awarded colours. In the Inter-House athletics competition, he broke two Juniors' records, one in 100 metres and the other in Hop-step and Jump, and equalled the Seniors' 100 metres record of 11.5 seconds. Two of our boys, Zahid (279) and Erfan (272) were selected to represent the West Pakistan Public Schools against the Secondary Board Schools in the Revolution Day matches. Another boy who deserves mention is Mehdi (385), who, though a Junior, had the distinction of representing the School in three games, namely Cricket, Football and Basketball.

As for our contribution to Risalpur, two of our boys, namely Pervez Iqbal (ex-183) and Khizar Hayat (ex-164), joined the College early this year while a third, Maaroofo-o-Saklaan (ex-230) has been declared successful by the I.S.S.B. and will be joining shortly. It is gratifying to learn that Pervez Iqbal has been selected for a course at Cranwell.

Another feather in our cap this year was the wonderful performance of an ex-boy of this House, namely Malik Ghulam Ahmed, who earned the unique distinction of winning the Sword of Honour, the highest military award, at the Passing-Out Parade at Sandhurst. He is the first Overseas trainee ever to win this award.

Within the House itself, the House Library has been further improved by the addition of more books and magazines and the Recreation Room has been provided with a record-changer which was badly needed. There has also been a definite

improvement in the appearance of the House from outside. The front lawn and the hedges look healthier and there is more greenery around except in the rear plot.

The following boys have been awarded House Colours in 1960 :

<i>Cricket:</i>	Zahid, Erfan, Saadullah, Mamun.
<i>Hockey:</i>	Erfan, Zahid, Zaheer, Azam.
<i>Football:</i>	Erfan, Qamrul, Azam, Zaheer, Mehdi, Mezan.
<i>Basketball:</i>	Erfan, Qamrul, Mamun.
<i>Boxing:</i>	Azam, Khwaja, Nazam, Qasim.
<i>Swimming:</i>	Azam, Mamun, Khwaja.
<i>Athletics:</i>	Erfan, Qamrul, Khurshid, Zaheer, Meezan, Mamun.

### SABRE HOUSE REPORT

<i>House Master:</i>	Mr. Abdul Qadeer Beg.
<i>Asstt. Housemaster :</i>	Mr. Noor Mohd.
<i>P. T. I.</i>	Mr. Ali Sher.
<i>House Captain:</i>	1st Term Nisar Hussain Tiwana. 2nd Term Syed Zakir Hassan.
<i>School Prefect :</i>	1st Term Abbas Mirza. 2nd Term Gulzar Bhatti.
<i>House Prefects :</i>	Gulzar Bhatti, Zakir Hassan, Humayun Mirza (till May). Saleem Ishaq, Ajmal Kamal (2nd Term).

Although we cannot claim any outstanding success in our efforts to win the Chigwell Shield, we did at least have the satisfaction of moving up from bottom place, which we had occupied the previous year, to third position. And we did at any rate win the coveted Academic Trophy so at least we can claim to make up in brains what we lack in brawn.

It would not be just or reasonable to judge the progress of a House by the number of Sports Trophies won. No doubt, owing to the vacuum created in the senior teams by the departure of a number of good sportsmen and athletes, notably Tiwana and Abbas Mirza, the aspirations of Sabre House in the field of sport were only partially fulfilled. But it is certain that the spirit of the House was definitely on the up-grade, and on certain occasions our fighting team spirit enabled us to put up performances beyond general expectations, and to achieve victories which caused surprise and dismay to our opponents, whose teams on paper at least appeared much

improvement in the appearance of the House from outside. The front lawn and the hedges look healthier and there is more greenery around except in the rear plot.

The following boys have been awarded House Colours in 1960 :

<i>Cricket:</i>	Zahid, Erfan, Saadullah, Mamun.
<i>Hockey:</i>	Erfan, Zahid, Zaheer, Azam.
<i>Football:</i>	Erfan, Qamrul, Azam, Zaheer, Mehdi, Mezan.
<i>Basketball:</i>	Erfan, Qamrul, Mamun.
<i>Boxing:</i>	Azam, Khwaja, Nazam, Qasim.
<i>Swimming:</i>	Azam, Mamun, Khwaja.

Although we cannot claim any outstanding success in our efforts to win the Chigwell Shield, we did at least have the satisfaction of moving up from bottom place, which we had occupied the previous year, to third position. And we did at any rate win the coveted Academic Trophy so at least we can claim to make up in brains what we lack in brawn.

It would not be just or reasonable to judge the progress of a House by the number of Sports Trophies won. No doubt, owing to the vacuum created in the senior teams by the departure of a number of good sportsmen and athletes, notably Tiwana and Abbas Mirza, the aspirations of Sabre House in the field of sport were only partially fulfilled. But it is certain that the spirit of the House was definitely on the up-grade, and on certain occasions our fighting team spirit enabled us to put up performances beyond general expectations, and to achieve victories which caused surprise and dismay to our opponents, whose teams on paper at least appeared much

surprior. The best example of this was when our comparatively weak Football team beat Attacker - by far the strongest team and the eventual winners of the Football Cup.

In Cricket our Seniors, thanks largely to the all-round performance of Abbas Mirza, won all their matches, but we had to be content with 3rd place as our Juniors did not score a point. The House, however, made a major contribution to the School Cricket. We provided the School Cricket Captain in both terms -- Abbas Mirza in the first and Ajmal Kamal in the second. In addition, Shafique-ul-Haq, Humayun, Bedar, Junaaid and Haroon all played for the School, Shafique being awarded School Colours.

In Boxing we fared poorly but we did provide winners in three of the fourteen bouts in the Finals, Idrees, Shafiq (369) and Abbas winning their weights, while Waleed put up a very good fight against Khalid of Tempest and was awarded School Colours. In the second term he became the School Boxing Captain.

As usual, we won the Indoor Games Competition easily. Our Senior Table Tennis Team, consisting of Salim (242), Gulzar, Zakir and Abbas, did not lose a single game; while Salim, Nawaz and Pervez (194) won all their matches in Draughts, as did Shafique (335) in Carrom and Kamal (217) in Chess. In the Junior events our Carrom players - Mehboob and Mehtab in the Singles and Malik and Mansoor in the Doubles - were all unbeaten.

We had to be content with last place in the Inter-House Debate; but we were unlucky not to win the Basketball Cup as we lost to Tempest by the narrowest possible margin in the deciding Senior match. We had two outstanding players in N. H. Tiwana and Abbas Mirza, the former being the School Captain. In Swimming we were nowhere in the picture, our only success being in the Junior Plunge in which our pairshamsul Islam and Inayatullah - came first.

Although we did not win the Football Competition, we managed to surprise everyone by getting second place and we had the satisfaction of causing the major upset of the tournament when we best the star-studded Attacker Senior Team. Perhaps in no instance during the year was there a better example of team spirit overcoming superior individual skill. It was almost the same story in the Hockey Competition in which we again exceeded expectations by tying for second place.

In the combined P.T. and Gymnastics Competition, the indifferent performance of the P.T. team more than discounted the good display given by the Gymnasts, of whom Waleed and Bhatti were awarded School Colours. Drill provided another setback, but in the Athletics, although as a team we managed to secure only third place, our Seniors won 7 out of the 13 individual events, no other House winning more than three. Waleed and Shafique each won three events and were runners-up for the best athlete's prize. Both were awarded School Athletics Colours. Ghaffar won

the 1500 metres, but in the Junior events we met with no success. Incidentally it afforded us considerable satisfaction to see our former House Captain and athlete, Shameem Hussain, win the Old Boys' Race quite in his old style.

Our success in winning the Academics Trophy has already been mentioned. Four Sabre House boys - Zakir (255), Inayat (348), Kaleem (427) and Ahsan (447)-topped their respective classes, while Nayyer (386), Shaukat (387) and Mumtaz (492) secured second position.

Mention must be made of House activities other than in the field of Sport and Academics. Occasional picnics, hill-climbing expeditions and cycling tours broke the monotony of the School routine. The House Library has been enlarged and also the stock of gramophone records. More pictures, curtains, new bed covers and other forms of decoration have given the House quite a new look and it is now hardly recognisable as the rather grim barrack of three years ago.

A distinct feather in our cap is the fact that out of the fourteen boys who joined Risalpur College in 1960, six were from Sabre House. Salim Gauhar (128) and Anwar (12) have proceeded to the U.S.A. for training; while Wahab (92) won the Sword of Honour at the P.M.A. Kakul, and Humayun (102) achieved the rank of Senior Under-Officer.

The following boys have been awarded House Colours in 1960 :

<i>Cricket :</i>	Waleed, Bedar.
<i>Boxing :</i>	Idrees, Shafique (369)
<i>Basketball :</i>	Ehtesham.
<i>Swimming :</i>	Waleed.
<i>Football :</i>	Waleed, Bedar.
<i>Hockey :</i>	Waleed, Bedar,, Salim, Ishaq, Gulzar Bhatti.
<i>Athletics :</i>	Ghaffar.

	2nd Term	Hamid Rauf. T. A. Chowdhury.

This year we not only failed to repeat our performance of the previous year, when we won the Chigwell Shield, but we actually dropped to bottom position in the Championship. One of the main reasons for this was the loss of Qadeer Masood - an outstanding performer in nearly every branch of Sport - together with injuries which prevented some of our best players and athletes from participating in various events. Our Juniors, too, were a source of weakness.

The first term was particularly disastrous, for in the six Inter-House events we came last in four. The only event which we won was the Debate, in which Iqbal Jawaid and Hasan Pervez were adjudged the best speakers in the Seniors and Juniors respectively. In the Boxing we came second, four of our boxers - Sabir, Zaghlul, Jamal and Shamsuddin - becoming champions in their respective weights.

In the second term we fared much better but could not make up the ground already lost. We won the hockey by an unexpected but well-deserved victory in the final Senior Match against Tempest House; while our Gymnastic team proved far superior to those of the other Houses and won us the combined P.T. and Gymnastic Competition. We were runners-up in Drill, Athletics and Academics. In fact, in the second term we scored more points than any other House but the first term's deficit was too great to make up.

A Variety Show was staged in each term, and various outings took place in the second term. A party of boys went shooting and fishing to Mona Drain - about 10 miles away. A little later we had a cycle picnic, covering about 25 to 30 miles in the day and giving the East Pakistan boys an excellent opportunity of seeing the West Pakistan countryside and villages at close quarters. Near the end of the term, half the House spent a week-end at Kallar Kahar - a noted beauty spot some 90 miles from Sargodha, while the rest of the House spent a day at Lyallpur.

Of those who distinguished themselves in sport during the year, the most outstanding was Hamid Rauf. Besides becoming the School Hockey Captain, he was the School's best athlete. He was also one of the best basketball players in the School and a regular member of the School Cricket XI. He now holds four School Colours. T.A. Chowdhury became School Athletics Captain, won School Colours for Boxing and Swimming and was a member of the School Football XI. Salam-ul-Haq represented the House in every single competition and also won School Colours for Hockey, Basketball and Gymnastics. He also played a prominent part in the School's winning the West Pakistan Junior Swimming Championship, being captain of the School team. Rashid-ul-Haq was another prominent all-rounder and was Captain of the team which won the West Pakistan Junior Athletics Championship for the School. School Colours were also won by Shamsuddin and Zaglul (Boxing), and Sattar (Hockey).

In academics, Iqbal Jawaaid distinguished himself by setting up a new School record in the Senior Cambridge Examination, while Shafiq Haider won a Government Scholarship in the Matriculation.

The following boys were awarded House Colours in 1960:

<i>Cricket:</i>	Rauf, Shahab, Iqtidar.
<i>Boxing:</i>	Sabir, Chowdhury, Rashid.
<i>Hockey:</i>	Salam, Waheed, Rashid.
<i>Football:</i>	Amir, Rashid, Chowdhury.
<i>Basketball:</i>	Chowdhury, Salam.
<i>Swimming:</i>	Chowdhury, Salam.
<i>Gymnastics:</i>	Salam, Shafique.
<i>Athletics:</i>	Rauf, Rashid.

IFTIKHAR-UD-DIN.

**ADVICE TO BOYS****(by an Old Boy).**

If any master gives a warning,  
About a sudden test next morning,  
The sick parade you must attend,  
A stomach-ache will serve your end.

And if for games you think it's hot,  
The radio room's a useful spot,  
And if the Housemaster you see,  
Just tell him that you're on L.D.

And if when it is time for bed,  
You want a cigarette instead,  
Just round about the swimming pool  
Is where you'll find it safe and cool.

And if by chance for class you're late,  
You may perchance escape your fate,  
Just tell the master that you were  
'Talking to the Principal, Sir.'

And if you feel in need of rest,  
I think you'll find a headache best:  
The doctor may suspect you're lying,  
But anyway it's well worth trying.

And if you come back late from leave,  
The Principal you must deceive:  
That's not so safe, but you can say  
The bus broke down while on the way.

And when you have the terminal test  
In History, Science and the rest,  
Just write the answers very small  
And take them with you in the Hall.

But now, dear friends, bear this in mind,  
The Principal is not so blind:  
When he was young I'm fairly sure  
He knew these tricks - and many more.

Captains of Sports, 1960, with the Principal.  
Sitting : Qayyum (Basketball), Erfan (Football)  
Standing : Rauf (Hockey), Shahid (Swimming),  
Ajmal (Cricket).

### THE CHIGWELL SHIELD.

The Chigwell Shield, which is awarded to the House securing most points during the year in the 12 Inter-House events, was won by Tempest House by the narrow margin of a single point over Attacker House. This was the first time Tempest had won it for 7 years and they thoroughly deserved their success owing to the excellent team spirit which they displayed in all the competitions.

The result was as follows :

1st — Tempest	— 57 points.
2nd — Attacker	— 56 points.
3rd — Sabre	— 50 points.
4th — Fury	— 47 points.

## CRICKET

During the year 26 matches were played, of which 14 were won, 7 lost, 4 drawn and 1 ended in a tie. The record would certainly have been even better but for the fact that the Matriculation and Senior Cambridge candidates were not included in the team for most of the matches in the first and second terms respectively.

Six matches were played against other Schools. Hasan Abdal Cadet College beat us badly, while we had the better of a drawn game against the Grammar School, Karachi. We were lucky to escape defeat from the Model High School, Lyallpur—a strong team—but we won all three matches against the P. A. F. School, Lower Topa.

Of the five matches against the P. A. F. Station, Sargodha, three were won comfortably, one was drawn and one ended in a tie. Although we lost one match against the Staff in the first term and drew another, we beat them on several other occasions, even though their team was strengthened in the second term by the arrival of Mr. Shafqat Hussain and Mr. Rafiq Hussain.

Against Clubs, we lost three close games against Sargodha City Club and one against the Friends' Club but we beat the Gymkhana Club on both occasions and also the Diamond Club, Lyallpur. The only match against Government College, Sargodha, was lost but our team was without 4 of our best players because of examinations.

Abbas, the captain, was a tower of strength to the team, both as batsman and bowler, until he left in May. In batting his most consistent supporter was Shafiq, who proved the main run-getter in the second term, besides developing into a very good wicket-keeper. His best performance was 4 stumpings and 3 catches in an innings—a feat never excelled in first class cricket. Zahid, Ajmal, Qayyum and Bedar all played good innings at times. In bowling the best performance was Sadullah's 8 wickets for 30 runs against the Friends' Club. Maqsood developed into a useful spin bowler and took most wickets, while Ejaz, Sheriyyar, and Masood showed much improvement in the second term. Junaid was unfortunately unable to reproduce in matches the excellent form which he showed in the nets. Rauf proved useful as an all-rounder without ever quite doing justice to his undoubted ability.

Abbas Mirza was Captain in the first term and Ajmal Kamal in the second. School Colours were awarded to Ajmal (229S), Zahid (279A), Shafique (335S), Qayyum (210T) and Rauf (307F).

### INTER-HOUSE BOXING COMPETITION

This was held on 25th, 26th and 28th February. Tempest were the winners with 18 points, Fury and Attacker tied for second place with 13 points, closely followed by Sabre with 12 points.

The bouts in the Finals were, with one exception, extremely evenly contested ; and though the fighting was hard, an excellent spirit was in evidence throughout. There were so many good losers that it was decided to award a cup to each instead of merely to the best loser.

The results were as follows :

### INTER-HOUSE INDOOR GAMES COMPETITION.

As in the previous year Sabre won the Competition by a comfortable margin, scoring 94 points. Attacker were runners-up with 67 points, while Tempest and Fury scored 56 and 43 points respectively. Space does not permit of complete details being given, and only outstanding performance can be mentioned.

The Sabre Senior Table-Tennis four, Salim (242), Bhatti (180), Zakir (255) and Abbas (184), did not lose a single match, while three Attacker Junior players—Kamran, Mehdi and Nazrul—were also unbeaten. In Carrom the Sabre junior players—Mehboob, Mehtab, Malik and Mansoor—did not lose a match, nor did Shafique (335S) in the Senior half. Draughts, too, provided Sabre with three unbeaten Champions—Salim (242) and Pervez (194) in the Seniors and Rabnawaz (372) in the juniors. The only other Draughts player who won all his matches was Masood (354) of Attacker. In Chess two Tempest players were unbeaten, Habib (398) in the Juniors and Moti (265) in the Seniors. Zaglul of Fury and Kamal of Sabre also won all their matches.

### BASKETBALL.

Although we failed to maintain our unbeaten record in 1960, the team continued to win nearly all its matches. Tiwana led the team enthusiastically and capably in the first term and proved a tower of strength in the defence. When he left the School in May, the captaincy was taken over by Qayyum, who scored heavily throughout the year and showed consistently good form. Rauf, Abbas Mirza and Erfan were also outstanding performers. Of the younger players Qamrul, Salam and Faiz Mehdi showed particular promise.

We entered for three tournaments during the year. The first was that run by the T. I. College, Rabwah, which took place just before the January term started, when some of our players were not available. After winning our first two matches easily, we were beaten in the final by the narrowest possible margin (35 points to 36) after having the lead until the last minute.

Our team was at full strength for the Quaid-e-Azam Basketball Tournament, which took place in February. After passing through the first two rounds easily, we met Government College, Sargodha, in the Final. In a keenly contested match we just managed to get home by 28 points to 25 and thus won the trophy. Government College, however, had their revenge when they met us in the final of the District Basketball Tournament in October, beating us on their own court by 55 points to 35. Incidentally this was their only victory in the five encounters which took place during the year.

In friendly matches, besides beating Government College all four times we met them, we also won our three matches against the P. A. F. Station, Sargodha. We lost once to the T. I. College, Rabwah, but won the other two matches comfortably. We also beat the P. A. F. School, Lower Topa, in both encounters by the wide margin of 85-26 and 95-25, but we lost to the Govt. Cadet College, Hasan Abdal, on their court mainly because the game was played under out-of-date rules. Our other two friendly games—against the Eagle Club, Sargodha and the Government College, Lyallpur—were both won.

The following are the points scored by the Forwards who played regularly either in the first or second terms.

	Matches	Points	Average
Qayyum (210T)	18	302	16.8

### Inter-House Basketball.

Tempest won the Championship, their Juniors winning all three matches and their Seniors two. Sabre and Attacker each scored 6 points. Sabre had a strong Senior team, with Tiwana as guard and Abbas as one of their forwards, but their Juniors were weak. With Attacker the reverse was the case for their Juniors won two matches and their Seniors only one. Fury's only victory was a highly creditable one, for in beating Tempest Seniors they achieved a feat which no other House managed.

Result were as follows :

Senior Matches				Junior Matches

## The Inter-House Swimming Competition.

There was a keen struggle between Attacker and Tempest for first place, the former winning by a narrow margin thanks largely to their Juniors. Sabre and Fury, who had no hopes of winning, engaged in a duel between themselves to avoid coming last. Sabre just managed to win this.

The only record broken was in the Senior Plunge in which the Tempest House pair—Shahid Raza and Momin Arif—totalled 103 ft., beating the previous record by 1 ft. 1½ inches. Shahid also revealed good form in the Breast Stroke and Back Crawl, in both of which Nasir (163T) was also prominent. Nasir also proved himself the best diver. Between them they were mainly responsible for winning 4 of the 6 Senior events for their House, but their efforts were negated by the weakness of their Juniors and the Cup went to Attacker, whose Juniors won 4 events. The outstanding performers for Attacker were Azam (215), Mamun (274) and Khawaja (308) in the Senior events, and Qasem (382) and Nazrul (353) in the Juniors. Salam (327) of Fury and Waleed (280) of Sabre also performed very creditably but they received little support from their team mates.

### FOOTBALL.

Very little Football was played in the First Term. We did, however, enter for the District Football Championship although we did not anticipate winning it as our team was very short of practice. We won our first match against Shaukat Club by two goals to nil, but we were then eliminated by Government College, Sargodha, who beat us by three goals to one. Later in the term some of our 1st XI players accompanied the Cricket and Hockey teams to the P. A. F. School, Lower Topa. In view of the fact that some indifferent performers from the Cricket and Hockey teams had to be included to make up a Football team, we did well to draw the match.

In the Second Term, which is really the Football term, we had an unbeaten record. The matches against the P.A.F. Station, Sargodha, resulted in three wins and 1 draw, while the other matches against the T. I. College, Rabwah, the T. I. High School, Rabwah, and the Dawn Club, Sargodha, were all won by a large margin.

The Captain of Football in the 1st Term was Khairul Anam and in the 2nd Term Erfanuddin. School Colours were awarded in 1960 to Sultan Mahmud, Qamrul and Shafique-ul Haq. As usual the team consisted almost entirely of boys from East Pakistan - 9 in the 1st term and 10 in the 2nd term.

The following represented the School in most of the matches :

*1st Term :* Sami: Khairul and Tiwana: Qamrul, Erfan and Munir: Shafique, Azam, Zahir, Sultan Mahmud and T. A. Choudhry. Also played: Zaglul and Salim Raza.

*2nd Term :* Faiz Mehdi: Qamrul and Amir Ali: Warsi, Erfan and Rashid: Shafique; Anwar, Zahir, Azam, T. A. Choudhry. Also played: Qasim, Meezan, Sabir and Salam.

### The Inter-House Football Competition.

Attacker, mainly because of their Juniors, won the competition with 8 points; Sabre followed with 6 points; while Fury and Tempest tied for third place with 5 points each.

Most of the games were very keenly contested, no less than six of the twelve matches being drawn. Sabre provided both the 'high-light' and 'low-light' of the competition. With only one member of the School 1st XI in their team, they surprised even their best friends by 'toppling' the powerful Attacker Senior team which included no less than six players from the School XI. They followed this up, however, by suffering a 6-0 defeat by Fury—by far the most severe defeat of the tournament.

Fury Seniors were unbeaten but their Juniors were weak. Attacker were the only Junior team which did not lose a match—which is not surprising considering that it included two School 1st XI players—Warsi and Qasem.

Results were as follows :

<b>Seniors</b>		<b>Juniors</b>	
Attacker beat Tempest	4—1	Attacker beat Fury	2—0
Attacker drew with Fury	2—2	Attacker beat Sabre	2—1
Sabre beat Attacker	2—1	Attacker drew with Tempest	0—0

## HOCKEY

The balance of victories and defeats was unfavourable during the year for we lost 7 matches, won 5 and drew 3. Of the 6 matches against other Schools, however, we lost only one—against Hasan Abdal. Against the P. A. F. School, Lower Topa, we won once and drew once, and we also played a drawn game against the Grammar School, Karachi. We won both matches against the Ambala Muslim High School.

That the standard of our team was reasonably high is clear from the fact that we beat the P. A. F. Station team—the winners of the P. A. F. Inter-Station Tournament—although they beat us by the odd goal in the return match. But the local clubs proved too strong for us, the Crescent Club defeating us twice and Dawn Club once. Against Government College, Sargodha, we won one match, drew one and lost two.

Khizar (164A), the School Captain, was the best of the forwards, possessing speed, good stick-work and quickness in shooting. Rauf (307F) also showed excellent stick-work but must improve his shooting. Salam (327F) showed great improvement and scored well in the second term. In the defence Qayyum (210T) at centre-half could always be relied on to play a hard game, and Abbas was a sound right half. Both the goalkeepers—Sattar (231F) and Waleed (280S) — acquitted themselves creditably, while Nasir (163T) developed into a useful right back.

Details of the matches, showing the goal-scorers, are given below :

Opponents	Date	Result
Ambala Muslim High School,	3—2—1960.	Won 3—2 (Khizar 3).

The School Captain in the first term was Khizar Hayat (164A) and in the second term Hamid Rauf (307F). School Colours were awarded in 1960 to Salam (327F), Erfan (272A), Sattar (231F) and Nasir (163T).

### Inter-House Hockey Competition

Fury won the Cup by beating Tempest Seniors unexpectedly in the final match. This gave them 8 points. Tempest and Sabre tied for 2nd place with 7 points each, while Attacker could muster only 2 points. Fury Seniors and Sabre Juniors were unbeaten. The matches were played with great keenness and excellent spirit. Tempest, having beaten Attacker by 7 goals to 2, were perhaps a little over-confident of beating Fury in the final match and proved the truth of the old saying 'Pride goes before a fall'.

The results of the matches are given below :

Seniors		Juniors	
Fury beat Tempest	2—1	Sabre beat Fury	2—0
Fury drew with Sabre	1—1	Sabre beat Attacker	1—0

### P. T. AND GYMNASTICS

The Inter-House P. T. and Gymnastics Competition took place on 22nd November. Each P. T. team consisted of 34 boys, including the leader and commander, while in the Gymnastics teams there were 11 boys.

Tempest House secured a lead in the P. T., Fury being second. But the Fury gymnastics team was far superior and more than made up their deficit in P. T. The final result was,

Fury House	209 points.
Tempest House	198½ points.
Sabre House	194 points.
Attacker House	180 points.

The team commanders and leaders were :

	P. T. Commander	P. T. Leader	Gymnastics Commander
<i>Fury House :</i>	Iqbal Jawaid	Amir Ali	Amir Ali
<i>Tempest House :</i>	Mir Mahboob Ali	Sirajul Haq	Salceem Raza
<i>Sabre House :</i>	Syed Zakir Hassan	Ghaffar	Ghaffar
<i>Attacker House :</i>	Shahid Zulfiqar	Riazuddin	Shahid Zulfiqar

The School Gymnastics Team, trained by P. T. I. Ali Sner, himself a first-rate gymnast, gave three displays during the year.

The first was on March 10th when Major General Khatami, Chief of the Imperial Iranian Air Force, and his wife H. R. H. Princess Fatemeh Pahlavi, sister of the Shahinshah of Iran, accompanied by Air Marshal and Begum Asghar Khan, visited the School. The display was given in front of Attacker House and was much appreciated by the spectators.

In May, the team participated in a competition in the City Municipal Gardens on the occasion of the visit of General Bakhtiar Rana to Sargodha under the auspices of

the Rotary Club. The School team won the competition and a handsome trophy, while Amir Ali and P. T. I. Ali Sher were awarded cups as the Captain and Instructor respectively of the winning team.

The third display was, as usual, one of the important items of Founder's Day on 18th December. It was unfortunate that on this occasion P.T.I. Ali Sher, who had risen from a sick-bed to lend his helping hand, had to give up just at the beginning of the horse-work. His absence upset the confidence of the performers and the more spectacular and dangerous turns had to be discarded, with the result that the display fell below our usual standard.

The School Gymnastics team consisted of the following :

Amir (Captain), Sattar, Kbizar, Munir, Siraj, Waleed, T. A. Chowdhury, Salam, Shahid Zulfiqar, Saleem Raza, Gulzar, Ghaffar, Islam Mustafa, Riazuddin, Humayun.

School Colours for Gymnastics were awarded in 1960 to Salam (327F), Waleed (280S), Gulzar (180S), Saleem Raza (289T).

### INTER-HOUSE DRILL COMPETITION, 1960.

This keenly contested competition was held at 2.30 P.M. in front of the P.A.F. Hospital block on the 13th December.

The four Houses furnished two flights each of 21 boys and a Commander with each.

First the senior flights of the Houses were put through the Competition in this order—Sabre, Attacker, Fury, Tempest. The standard of the drill was fairly high. Tempest, last year's winners, won this part of the competition, closely followed by Fury. Attacker and Sabre secured the third and fourth positions respectively.

The junior flights then marched in the same order. Their marching was not as good as that of the first flights. Tempest won this part of the competition as well, while Attacker, Fury and Sabre secured the 2nd, 3rd and 4th positions respectively.

Finally Tempest was declared first (201 points), Fury second (194½ points), Attacker third (185½ points) and Sabre 4th (184 points).

Tempest House won a well deserved victory, but their standard was not as high as last year. The other Houses had certainly made considerable improvement.

The Commanders of the Flights were :

	Senior Flight	Junior Flight
<i>Tempest House :</i>	Abdul Qayyum Malik	Shahid Raza.
<i>Fury House :</i>	Iqbal Jawaaid	Salam-ul-Haq
<i>Attacker House :</i>	Ali Azam	Javed Akbar
<i>Sabre House :</i>	Zakir Hassan	Gulzar Bhatti.

## ATHLETICS

The high-light in the field of Athletics was the winning of the West Pakistan Junior Athletics Championship held in Lahore on 14th February. Our team consisted of only 8 athletes, which makes the performance all the more creditable. G. A. ### Inter-House Athletics.

The Inter-House Athletics Competition was held on 14th - 18th December. The result was Attacker 136 points, Fury 121 points, Sabre 79 points, Tempest 60 points. For their success Attacker owed much to their outstanding junior athlete, Warsi, who established new records in the Juniors 100 metres (and equalled the 'Open' record) and the Hop, Step & Jump. Other individual Junior records were set up by Ozair in the Javelin and Mashkoor in the Discus, while in the Senior events Fury House team broke the existing record in the Medley Relay.

Rauf (307F), with 2 first and 2 second places, won the Best Athlete's Cup in the Senior events, while Waleed (280S) and Shafique (335S), who each won three events, were runners-up. Warsi (392A) was declared the best Junior athlete, winning four events, the runner-up being Qaiser (365F) with two first and two second places.

## AN UNFORTUNATE INCIDENT

The day was hot and I was tired,  
 So after tea I much desired  
 To have a rest upon my bed,  
 But soon I feel asleep instead.

And so I slumbered on and on  
 Until the bell for games had gone,  
 And soon did I begin to dream  
 Of chicken curry and ice-cream.

And thus the minutes swiftly passed,  
 And I was eating mighty fast,  
 When suddenly a rough rude shake  
 Shattered my dreams and made me wake,

Still half asleep I gave a shout,  
 "You silly ass, buzz off, get out!"  
 And then my eyes I opened wide  
 And saw the Principal at my side.

I was too horrified to speak,  
 Each second seemed more like a week :  
 I sat upright upon my bed  
 And, still confused, at last I said :

"Muaf karo me, sir, please do,  
 Kya malum that it was you :  
 I thought that it must surely be  
 Some stupid boy just teasing me.

I much appreciate it, too,  
 It really is most kind of you  
 To come and wake me up like this  
 So that the games I may not miss."

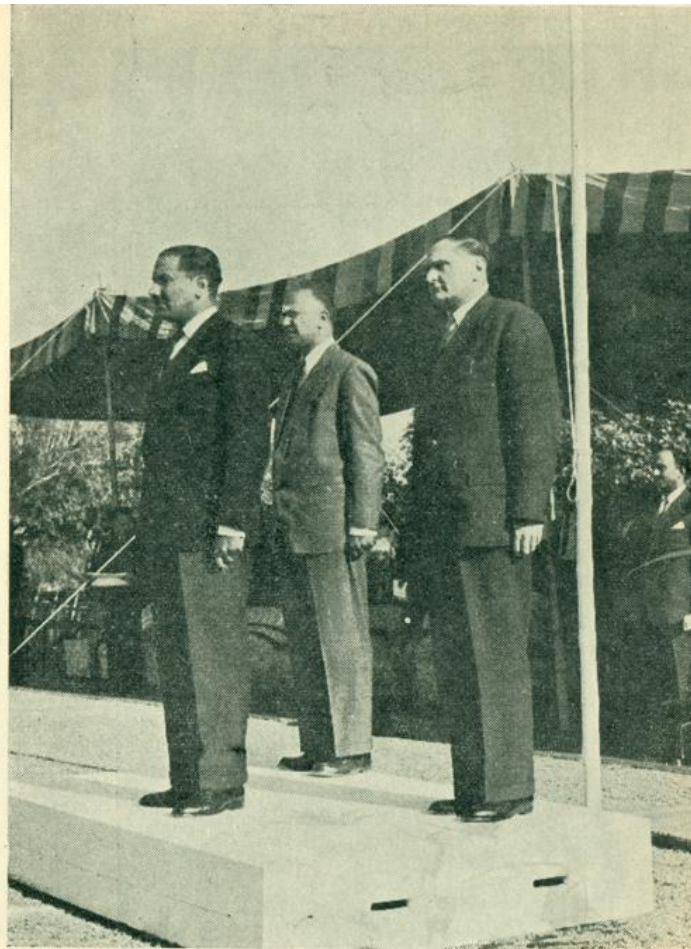

The Principal just smiled and said,  
 "Iqbal, dear boy, just stay in bed,  
 The games are just about to end  
 So please don't bother to attend."

So saying, he just walked away,  
 But in his office the next day  
 The crime of sleeping after tea  
 Was made extremely clear to me.

Gymnastics Display on Founder's Day 1960.

### FOUNDER'S DAY.

Founder's Day was held on Sunday, December 18th. The weather, unlike on certain previous occasions, proved fine and sunny so that conditions for the athletes were excellent.

The Guest of Honour, Air Marshal M. Asghar Khan, H.Q.A., Commander-in-Chief of the Pakistan Air Force, accompanied by Begum Asghar Khan, arrived punctually at 2 P.M., by which time the other guests were already seated.

The first item was the March Past of the whole School, led by Iqbal Jawaid, the Head Boy, with the Commander-in-Chief taking the salute. The standard of marching was excellent and even the new boys performed very creditably.

This was followed by a Gymnastic Display, given by the School team. Unfortunately P.T.I. Ali Sher, in charge of the team and whose helping hand is so necessary to prevent 'forced landings' by the gymnasts in the more dangerous exercises, had been sick for the previous week. The School Doctor managed to put him on his feet for the occasion but the effort proved too much for Ali Sher, who passed out peacefully just at the beginning of the 'Horse-Work' exercises when his helping hand was most needed. But 'It's an ill wind that blows nobody any good' and the guests were afforded an opportunity of witnessing the efficiency of the School stretcher-bearing party, who expeditiously removed the 'body'. But the absence of Ali Sher inevitably destroyed the confidence of the Gymnasts and some of the more spectacular items had to be dropped, with the result that the display was not quite up to our usual high standard.

A mass P.T. display, many by junior boys, was the next item on the programme — the first time such a display has been included. Except for one exercise, when the commander gave a wrong order, the display went off well and was much appreciated.

The athletes then took the field and some excellent performances were witnessed. Hamid Rauf was declared the best athlete in the Senior division, Shafique-ul-Haq and Waleed tying for second place. G. A. Warsi, an exceptionally promising athlete, came easily first among the Juniors, Mohd Qaiser being runner-up. Details of the results are given elsewhere.

After tea, the Principal gave a resume of the main achievements of the School during the past year, after which the Commander-in-Chief addressed the gathering. He expressed his pleasure at the progress made by the School and the valuable contribution it was making in providing the right type of material for the Pakistan Air Force, and he expressed the hope that its contribution would go on increasing year by year. He pointed out that this could only be so if both Staff and Boys put in their most strenuous efforts and he felt confident that they would do so.

The last item on the programme was the distribution of the imposing array of books and cups to the winners in academics, athletics and boxing, as well as the House Trophies and those won in various outside tournaments. Chief among these were the West Pakistan Junior Swimming and Athletics Championships and the Qaid-e-Azam Basketball Tournament.

We were pleased to welcome among the guests our Old Boys from the P. A. F. College, Risalpur, and the P. M. A., Kakul. The former, unfortunately, could pay us only a 'flying' visit, arriving by air in the morning and leaving in the evening. The P. M. A. contingent, however, were able to stay for two days.

The band for the occasion was provided by the Ambala High School and its performance was much appreciated by all.

### REMARKABLE CRICKET FEATS

Sir Donald Bradman once scored 309 runs in a single day in a Test Match against England in 1930. He scored 100 before lunch, another 100 between lunch and tea, and a third hundred between tea and close of play. He achieved this feat against two of the greatest bowlers England has ever had—Tate and Larwood. Compare this with the rate of scoring in the Pakistan - India Tests when against very inferior bowling the combined rate of scoring of the two batsmen is about 150-200 runs per day. Incidentally Bradman once scored 30 runs in one over off the bowling of A. P. Freeman—a well-known England bowler. Bradman's batting average for the 52 Test Matches in which he played was 99.94. Had he scored one boundary instead of a 'duck' in his last Test, his average would have been 100.

Sir J. B. Hobbs, who was also knighted for cricket, scored more runs (61237) and more centuries (197) than any other player in first class cricket. The only other player to be knighted for cricket was Sir Leonard Hutton, who holds the record (364) in England - Australia Tests.

The greatest all-round cricketer was Dr. W. G. Grace, who played first class cricket from 1865-1908, during which time he scored 54896 runs and took 2876 wickets. He was famed for his enormous beard, which gave rise to the rhyme :

W. G. Grace  
Had hair all over his face.  
How all the people cheered  
When a ball got lost in his beard !

The greatest bowling feat of all time was that of J. C. Laker, who took 19 wickets for 90 runs in a Test Match against Australia in 1956. In the same year, playing for Surrey against the Australians, he had already taken all 10 wickets in an innings.

The most sixes hit by a player in a first class match is 17 by W. J. Stewart of Warwickshire, playing against Lancashire in 1959. He hit 10 in the first innings and 7 in the second. A. W. Wellard of Somerset hit over 500 sixes during his career in first class cricket. He once hit 5 sixes and a single in an over from F. E. Woolley, an England bowler. But the greatest hitter of all time was G. L. Jesop, known as 'the Croucher', who once won a Test Match for England against Australia by scoring 104 in 75 minutes after England had lost 5 wickets for 48 runs. Other fast scoring feats of his were 101 (out of 118 runs) in 40 minutes against the very strong Yorkshire attack, and 191 (out of 234) in 90 minutes in a match between the Gentlemen of the South and the Players of the South.

The highest score in an innings in a first class match is 1107 by Victoria against New South Wales in 1926. The scores of the first four batsmen were 133, 352, 100 and 295. Two weeks later, in the return match, New South Wales bowled out Victoria for 35 runs !

### S. A. T. C. REPORT.

The School now forms No. 6 wing of the Shaheen Air Training Corps with the Principal as the Officer Commanding. The Instructors during the year were Flt./Lt. M. I. Beg and Flt./Sgt. Zahoor. It speaks much for their efficiency and enthusiasm that the Wing achieved results far surpassing anything previously accomplished.

For the first time we won the trophy awarded to the best all-round Wing at the S. A. T. C. Camp held annually at Quetta during the summer vacation. In addition Mohd Humayun Khan was declared the best Cadet in Ground Subjects.

Previously only one boy from this School had ever been awarded Category 'C' in Gliding. In 1960, however, no less than six boys achieved this distinction, while five others gained Category 'B'. Many more would certainly have succeeded but for our being without a Primary Glider in the second term.

The Principal offered a prize for the boy who 'soared' for the longest period. This was won by Mohd Humayun Khan, who stayed in the air for 2 hours 12 minutes. Tariq, Shahid Raza and Shaukat all exceeded one hour.

The following gained Category 'C'. :—

Mohd Humayun Khan, Tariq Nazir Syed, Shahid Raza, Shaukat Khalil, Akmal Afzal, Mir Mahboob Ali.

The following gained Category 'B':—

Riaz Ahmed, Mizan-ur-Rehman, Rashid-ul-Haq, Nawaz Wahid, Islam Mustafa.

**THE AERO-MODELLING CLUB.**

The number of Aero-modellers has been reduced as a result of our having had to surrender our previous aero-modelling room to Group Headquarters. Our present room in the Hospital block permits of only ten boys working at a time and it is, moreover, much farther away from the Houses. In addition, the supply of models from Air Headquarters came to a stop and we had to rely on our limited resources to purchase models, which in any case are in very short supply. In fact, only the active interest of the Principal kept the Club going at all.

The best model made in the first term was a 'Southerner' constructed by Mustafa (240S). After a number of successful flights, its career came to an end when it one day got out of control and crashed at full speed into the water tank on the top of Fury House.

Mustafa left in May, and in the second term the two most enthusiastic and skilful aero-modellers were Saeed Anwar and Sajjad Hassan. Sajjad's 'Ballerina' made many successful flights and set up records both for altitude and distance. Even more remarkable is the fact that it survived so many hazards for so long.

On Founder's Day both Saeed and Sajjad received prizes from the Commander-in-Chief for being the best aero-modellers.

It is hoped that in 1961 more assistance will be given by Air Headquarters in the provision of kits and engines.

### THE CINEMA CLUB

The School Cinema Club continued to show pictures with unfailing regularity on Friday nights to the Staff and visitors and on Saturdays to the boys.

Because of the unsatisfactory acoustics in the School Hall, Mr. Rehman Qureshi, in charge of the Club, has undertaken the construction of an imposing outside Cinema Auditorium, the cost being met out of the profits of the Cinema Club with some assistance from the Boys' Amenity Fund. The work is nearing completion and will prove of great use not only for the showing of films but for other school functions as well. Mr. Rehman Qureshi is to be congratulated on the enterprise and energy he has displayed, and the Auditorium is to be named after him.

### THE SCHOOL SCIENCE SOCIETY.

A Science Society has been organised by Mr. Rehman Qureshi, the Head of the Science Department, to encourage the spirit of discovery and to develop experimental skill among the boys. The Society has done much to help its members, which are few in number at the moment, in carrying out some interesting experiments independently.

An A. C. step-down transformer has been assembled by Tariq, Faruqui, Mizan and Imtiaz. Some interesting experiments have been performed by the help of this transformer. We boiled water in a pan (made out of any good conductor of electricity in the form of a hollow ring) by using it as the secondary coil. The required amount of heat is supplied by the high currents induced in the pan. An interesting demonstration of Lenz's law has been arranged. An aluminium ring, when kept around the secondary core, flew vertically up as high as  $1\frac{1}{2}$  feet under the influence of the strong repulsive force developed by electro-magnetic induction.

We are actively working on a five valve super-heterodyne radio receiver which we hope to complete next term.

The society is planning to arrange an exhibition by the end of next term.

## CAMERA CLUB REPORT.

The Camera Club took on a new lease of life in the second term of 1960 when Mr. Jabbar became the President and S. A. Faruqi, Secretary. With the active assistance of Mr. Rehman Qureshi, the Club was reorganised and is now functioning in a much more systematic and effective manner. Better facilities are now provided for developing and printing, and excellent results have been achieved. Photography is usually regarded as an expensive hobby, but the members of the Camera Club no longer find it so.

The next item on the programme is the acquisition of an enlarger which will be purchased as soon as funds permit. Regular photographic competitions are also to be held with prizes for the winners. Finally, we have ambitions to acquire a movie Camera so that a permanent record may be kept and exhibited from time to time of the important School activities.

There are at present 21 members of the Camera Club, who meet twice a week in the afternoon in the Club premises. Most of them are comparative beginners but they are rapidly becoming more proficient and profiting greatly by the guidance and facilities afforded by the Club. It is expected that membership will increase considerably in the near future as photography is an extremely interesting and popular hobby and not an expensive one to members of the Club.

“What would happen to you if your tongue was cut out ?”

“I couldn’t speak, of course.

“And what would happen to you if your nose was cut off ?”

“I couldn’t smell.”

“And what would happen to you if both your ears were cut off ?”

“I couldn’t see.”
