## EDITORIAL

During 1966 we sent a record number of 35 boys to the P. A. F. College, Risalpur—8 in the February term and 26 in August. As our yearly output is only 50, this means that more than two thirds were successful in passing both the Inter-Services Selection Board and the still more formidable obstacle of the Medical Board.

Academically, too, this has been our most successful year. We sent in 47 candidates for the Senior Cambridge/G. C. E. Examination, 42 gaining School Certificates and the other 5 G.C.E's. As all boys at this School take the Senior Cambridge Examination and not only the better students, as in other schools, we can be justly proud of this result.

Air Headquarters have now decided that after 1967 boys here will take the Matriculation and Intermediate Science or Arts instead of the Senior Cambridge School Certificate. The educational qualification for admission to the P.A.F. College, now to be called the P.A.F. Academy, is to be raised to Intermediate so that Cadets may be awarded a degree on passing out. A further advantage of this change will be that those who are medically unfit for flying can be accepted for training for the technical branch of the P.A.F. if they have passed Inter-Science. But there is no rose without a thorn. Discarding the Senior Cambridge inevitably means a lower standard of English; and we have been told repeatedly that Sargodhians fare comparatively better at Risalpur because of their higher standard of English. Again, how will Inter-Arts students fare at Risalpur? They will have been out of touch with Mathematics and Science for over two years by the time they join Risalpur. Time alone will tell whether the change is for the better or not.

At the time of writing—December, 1966—there are 66 Sargodhians at the P.A.F. College—our biggest number ever. Not one, we are glad to say, has been relegated or terminated on academic grounds during the past year. Inevitably some have not made the grade in flying but such cases mostly join the navigation or ground branch of the P.A.F., or are transferred to the P.M.A. Kakul. When the 42nd course passed out in July 1966, half of those who got their 'Wings' were Sargodhians and they secured the first two places in order of merit. Two more from the same course are now under training at Cranwell, where they are doing exceptionally well.

We take this opportunity to welcome some new arrivals on the staff, viz. Messrs Mohd Aslam, Mohd Tahir and Farooq Latif on the teaching side, and F/O Sirajul Haque as Bursar. We also wish to congratulate Mr. Hussain on being appointed Principal of the Divisional Public School Lahore, and Mr. Khalique Qureshi and Mr. Noor Mohammad on getting their M.A. Degrees in Urdu and English respectively.

Last but not least, congratulations to Fury House on winning the Championship Shield for the eighth time in thirteen years.

## ACADEMICS

### Senior Cambridge and G. C. E. Examination, November, 1966

Of the 47 candidates who appeared, 16 secured 1st Division, 21 2nd Division, 5 3rd Division while the remaining 5 obtained the G.C.E. This is our best result to date in so far as the percentage of 1st and 2nd Divisions was considerably higher than before. As no boys were held back either in the Pre-S.C. or Senior Cambridge Class, and as we send every boy in for the Senior Cambridge Examination and not just the best students, we feel that we can be justly proud of this result. No less than 15 candidates secured Distinctions in English Literature.

The successful candidates in order of merit were :

- 1st Division :* Rashid Anjum ; Qazi Omarul Huda ; Mohd Naeem Malik ; Md. Abdul Qayyum ; Rashid Ahmed ; Ekramul Haque ; Mominul Islam ; Hamid Abbas ; Rana Javaid Akhtar ; Md. Shamim ; Humayun Kabir ; Sarfraz Arshad Toor ; Khalid Ahmed Kidwai ; Mahboob-ur-Rehman ; Mohd Yasin Hasham ; Mohd Iqbal Habib.
- 2nd Division :* Badrul Islam ; Shabbir Ahmed Siddiqi ; Javed Akhtar ; Nasir Riaz Sheikh ; Naqeebur Rehman ; Suhail Ashraf ; Tariq Ali Khan ; Javed Sultan ; Fazlur Rehman ; Shahid H. K. Malick ; Saeed Ahmed ; Abraham Qaiser ; Mohd Khalid Hossain ; Rafique Ahmed Sarkar ; Talat Mahmud ; Farooq Salim Durrani ; Naseem N. A. Beg ; Majid Ali Kazmi ; Luqman Aziz ; Shahid Hayat ; Mohammad Naeem.
- 3rd Division* Tayyab Saleem Malik ; Naseem Anwar Deen ; Javaid Iqbal ; Hasan Saleem Hayat, S. Abu Zafar.
- Cambridge G. C. E. :* Mohd Jawed Khan ; Jawaid Saeed Khan ; Saadatullah ; Mohd Ikram Cheema ; Fahimur Rehman.

### Inter-House Academics Trophy 1966

The Trophy was won by a huge margin by Sabre House, who scored nearly 5 times as many points as the runners-up. Points are awarded to those who secure the first 3 places and deducted from those who fill the last 2 places in the Senior Cambridge Examination and in their Classes in the Annual Examination.

The result was :—

- |          |           |             |           |
|----------|-----------|-------------|-----------|
| 1. Sabre | 24 points | 3. Tempest  | 3½ points |
| 2. Fury  | 5 points  | 4. Attacker | 2½ points |

### Annual Examination, 1966

The Prize winners in the Annual Examination were :

Class 8-A	1. Iftikhar Ahmed Khan	2. Imtiaz Ahmed
Class 8-B	1. Ahmed Riaz Naji	2. Syed Shahid Masud Zaidi
Class 9-A	1. Masood Jaafar	2. Hussam-ud-din

The most noteworthy achievement by a Sargodhian during 1966 was the winning of the Sword of Honour by Wing Under Officer Safi Mohammad Masoom (418-F) when the 41st Course passed out in January 1966.

Jamal Hossain (425-T), who consistently topped the list in every test at Risalpur, won the Ground Subjects Trophy when the 42nd Course passed out in July, 1966. Fareed Shah (442-T) came 2nd and Zakaullah (480-F) 4th. Ten Sargodhians got their 'Wings' when this Course passed out, forming half the total number.

When the 46th and 47th Courses joined Risalpur in August, 1966, the total number of Sargodhians at the College reached the record number of 57.

Under-Officer Azhar Ali Bokhari (424-S) is expected to win the Sword of Honour when the 43rd Course passes out in January, 1967.

At the time of writing—December 31st 1966—the following Sargodhians hold appointments :

43rd Course		44th Course	
Azhar Bokhari	Under-Officer	Musharraf Hussain	Cpl.
Ziauddin Ahmed	Sgt.	Hadi Rizvi	L/F/C.
Bilal Khan	Cpl.	Ikram Ezad	L/F/C.
Imtiaz Hyder	Cpl.	45th Course.	
Marghoob Hassan	Cpl.	Arif Malik	L/F/C.
Tahir Aslam	L/F/C.		

### KAKUL NEWS

Courses come and go so fast at the P.M.A. Kakul nowadays that it is almost impossible to keep any accurate record of which Sargodhians are there at any given time. We therefore apologise in advance for any mistakes and omissions.

Two Sargodhians won major distinctions at the P.M.A. in 1966. Mohammad Humayun Khan (224-T) won the President's Cane, the Artillery Medal and the Tactics Prize when his course passed out in June 1966; while Ayaz Ahmed Sipra won the President's Cane when his course passed out in December.

The following were commissioned during the year :

Riaz Saleem	(175-A)	Farooq Saeed Anwar	(473-F)
Ishtiaq Bashir	(482-A)	S. Masood Ahmed	(205-F)
Shakeel Ahmed	(397-F)	Ayaz Ahmed Sipra	(542-A)
Mohd Humayun Khan	(224-T)	Mansoor Jaffery	(508-F)
S. Sabir Ali	(208-A)		

The following were reported to be in residence in December 1966.

38th Long Course		39th Long Course		Short Courses

## OTHER OLD BOYS' NEWS

### The Association of Old Sargodhians, East Pakistan

It is gratifying to record that a very active Old Boys' Association has been organised in East Pakistan. It issues a monthly News Sheet giving news of ex-Sargodhians in the East Wing, and it has made a very generous gift of a shield to be awarded to the House whose Seniors gain most points in the Inter-House Competitions held throughout the year.

The following are the office-holders of the Association :

<i>President :</i>	S.F.H. Meerza	<i>Treasurer :</i>	Hahib-us-Samad.
<i>Vice-President :</i>	Sqn/Ldr. M.A. Wahab	<i>Editor :</i>	Iqbal J. Unus.
<i>General Secretary :</i>	G.D.A. Rahman	<i>Asst. Editor :</i>	Azad Ayub.

According to the last News Sheet there are 28 ex-Sargodhians studying at Dacca University and its affiliated Colleges, 11 at the East Pakistan University of Engineering and Technology, Dacca, and 3 at the Medical College.

Congratulations to Muzammal (65-A) and Anis (82-S) on attaining the rank of major ; and to Wahab (92-S) on becoming a Sqn/Ldr. We understand from the News Sheet that they are the first ex-Sargodhians to achieve such promotion.

### The Association of Old Sargodhians, West Pakistan

A meeting of ex-Sargodhians from the West Wing was held at the School on the evening of Founder's Day—December 10th. The following were elected to office :

<i>President :</i>	Mirza Bakhtiar Hameed	<i>Working Committee :</i>	F/O Siraj-ul-Haq
<i>Secretary :</i>	Mr. S.M. Taqvi		F/O Saeed Anwar
<i>Joint Secretary :</i>	F/O Shahid Raza		Flt/Cdt Rabnawaz Khan
			Flt/Cdt Tanvir Afghan.

Inspired by the example of its brother-Association in the East Wing, the Association very kindly agreed to present a shield for the Juniors of the House winning most points in the Junior Competitions during the year. It was also proposed that there should be a board in each House inscribed with the names of the House Captains since the inception of the School. Another proposal was that portraits of the Principals should be kept in the School Hall.

## ABOUT THE P.A.F. COLLEGE, CRANWELL

I joined the Pakistan Air Force College in August 1964. Soon I was moulded into a Flight Cadet (with the usual amount or gentle persuasion by my seniors!) and I began to enjoy my stay there. Little did I then know that my stay at Risalpur was to be a comparatively short one.

Everyone knows how the slightest bit of out-of-the-ordinary news spreads like wildfire. Well, one day someone mentioned that in all probability, Risalpur would be sending two cadets to Cranwell. Cranwell? Oh, of course! Cranwell! where the Royal Air Force College is.

Everyone has heard of England; everyone has heard of the Royal Air Force; but very few have heard of Cranwell. This is not as surprising as it would seem because over here, in Great Britain, very few people have heard of it. Sandhurst—Yes: Dartmouth—Yes: but Cranwell—No! Nevertheless, this can be easily explained. Cranwell is a very select place where only those potential officers of the R.A.F. go who are to be given permanent commissions and almost certainly reach the top. Probably because of this, Cranwell is not publicised to a great extent. This, however, does not alter the fact that Cranwell is the best Air Force training institution in the world.

It was but natural on my part to aspire to be one of the two who were to go to Cranwell. Everyone anxiously awaited the selection but soon hopes began faltering because nothing was heard about it from the authorities for quite a considerable period.

Now it happened. One day, out of the blue, came orders for fourteen of us to visit the senior Humanities Tutor for interviews. Out of the fourteen, eight were ex-Sargodhians. From then on, it was interviews, tests and so on. Finally there were five of us left for the Medical Examination, of whom four were ex-Sargodhians and the fifth an ex-Topian. Needless to say, all five of us were declared medically fit. Then came the final interview with Air Commodore Yusuf. It must have been difficult for him to decide but finally I was selected along with Flt. Cdt. Niaz (432 A).

Then came the paper work. Forms to fill, documents to sign, passports to be made etc. All clear at last, and on 25th March 1965 we boarded an aircraft for London. A couple of days in London and then a train to a place 100 miles up north—a place called Cranwell.

Cranwell sprawls over an area of approximately eight square miles. There are two airfields—the North airfield and the South airfield. There is a complete associated station to run the College and the airfields. Cranwell has a 'group' status which in the R.A.F. comprises at least two or three stations. Furthermore,

Cranwell is the second largest Air Force Station in Great Britain. The College consists of 450 Flight Cadets and about 650 Officers. The total strength of the station is about 7,000 people. There are two main academics buildings—Trenchard Hall and Whittle Hall. In the former all the sciences and technical subjects are studied and in the latter the Humanities are taught.

The College itself is divided in two—the Junior Mess and the Senior Mess. As the name implies, the Junior Mess accommodates the cadets in their junior year (*i.e.* the first year of their two and a half year stay at Cranwell). Then the cadets move up to the Senior Mess. The Senior Mess is a huge building and very self-contained. It has accommodation for the senior cadets of all four squadrons that are in the College (A, B, C and D). There is a huge dining hall, very richly furnished ante-rooms, an enormous library, two television rooms, a bar and the offices of various persons who are concerned with the efficient running of the College.

Cranwell has a very extensive and thorough training programme. We are taught not only flying here but also all the sciences connected with it. Aerodynamics, Electronics, Thermodynamics, Structures, Radio and Navigation Aids, Avionics, and an optional subject which a cadet can choose from a wide variety of technical subjects. I am doing Flight Control here and Flt. Cdt. Niaz is doing Nuclear Physics. Apart from the Flying Training and Academic Training, the third aspect of Cranwell is Officer Training.

In Officer Training, we are taught War Studies, Defence Economics, and here again an optional subject. Flt. Cdt. Niaz is doing International Affairs whereas I am studying the German language. In languages, Cranwell caters for French, Russian and German. We have an excellent language laboratory and excellent audio-visual aids. We are also taught how to handle weapons ranging from the .303 to the Bren Gun.

Included in officer training are the frequent exercises held in the countryside or abroad where we live under battle conditions, and we are trained in survival in various types of climatic conditions and terrain. We had a course of Jungle Survival in Germany, which, though extremely arduous, proved very beneficial in our training.

Sport facilities at Cranwell are very extensive but the time that can be devoted to it is rather limited. We have here facilities for cricket, rugger, soccer, hockey, golf, riding, basketball, fencing, shooting, rowing, sailing, swimming (a huge centrally heated indoor swimming pool, I might add) etc., etc. Apart from that, there are a huge number of clubs for various subjects like fine arts,

aero-modelling, photography, hovercraft (Cranwell has built two of its own hovercraft), gliding, car racing, go-cart racing, water-skiing, deep sea diving, mountaineering, etc. Cadets are free to join any of these.

Cranwell has a fine social life too. We have mid-term dances, guest nights and a Graduation Ball every term. Needless to say these occasions are attended by a good deal of the 'brass' of the R.A.F. Apart from these occasions, we are often invited to parties and dances at the girls' colleges around Cranwell.

From Cranwell you can get a chance to see the world too. So far I have been to Belgium, Luxemburg, Holland, Iceland, Sweden, France, Germany, Switzerland, Italy, etc. Cranwell finances the various societies in their expeditions abroad. Of course we have to put in a bit ourselves too but everyone can afford it. From Cranwell, expeditions go as far as Greenland in the North and South Africa in the South.

Also, from Cranwell cadets pay official visits to the BAOR (British Army on the Rhine) Germany, the Far East Air Force in Singapore, the USAF Academy at Colorado Springs, besides sailing with the Royal Navy. They also visit the NATO forces in Europe and the S.H.A.P.E. (Supreme Headquarters of the Allied Powers in Europe) in Paris.

Cranwell is an institution worthy of all the honours it has received. (The college has got the Queen's Colour). I have enjoyed my stay here very much.

The education here is in all respects complete and extremely useful. Cranwell does not turn out just a Pilot—it turns out a perfect officer, an excellent pilot and a perfect gentleman. Cranwell turns out scholars who can stand up in society and speak intelligently on almost any subject under the sun—be it English Literature or Computers or Nuclear Physics or Space. It turns out a Man who can hold his own in this modern world of ours.

## FURY HOUSE REPORT

<i>Housemaster :</i>	Mr. Haq Nawaz, M.A., C. Ed. (London).
<i>Asst. Housemaster :</i>	Mr. Iftikhar-Ud-Din, B. Sc., C. Ed. (Cambridge).
<i>P.T.I.</i>	Flt. Sgt. Usman.
<i>House Captain :</i>	Md. Yasin Khan Hasham.
<i>School Prefect :</i>	Fazlur Rehman.
<i>House Prefects :</i>	Tariq Ali Khan, Fahim-ur-Rehman.

By the grace of God, we have retained the much-coveted Chigwell Shield this year again, thus completing the 'Hat Trick' for we also won it in 1964 and 1965. Incidentally, this is the eighth time out of thirteen times that the Shield has been won by Furians. To crown our success further, we are happy to note that both the Senior and Junior Championship shields were annexed by us and that, as last year, six out of twelve trophies have found their way into Fury House Radio Room again.

We do not wish to sound immodest when we say that we began the year in great style, winning the first three Inter-House events, and that also with such a big lead, particularly in the seniors, that the other Houses were hardly in the picture for the first position. The cricket cup was the first to find its way into Fury House. The seniors won all their matches and at times the individual score of one boy (be it Feroze or Kauser) was more than the total score of our rivals. Feroze, Saeed and Kauser were not only the most prominent in the House, but were also the backbone of the School Team. Tariq Ali, Fazlur and Rizwan also played well. From amongst the Juniors, Tariq Ehsan has won School Colours and the little 'Eaglets', Hamid and Sipra, are very useful bowlers for the School team. Yasin is now the School Cricket Captain and has also been awarded School Colours.

At Basketball again our standard was so high that the seniors easily outclassed their opponents, so much so that the individual score of one of our players was as good as the total score of the other team. Most of them have now found their way into Risalpur College team. The Juniors also won two out of their three matches.

Fahim is now the School Basketball Captain and has won School Colours along with Yasin. Feroze, Kauser, Saeed and Ehsanullah had already won them earlier. From amongst the Juniors, Arif, Shujaat, Hameed and Tariq Ehsan were the most prominent. Incidentally, it has almost become a tradition now for Fury House to win the Basketball Cup.

The Debating Cup, too, has almost become associated with Fury House as we have won it for the seventh time in eight years which shows that if the pen is mightier

than the sword, we are not lagging behind in this field either. Anjum and Kaleem were declared the best and the second best speakers in the School in Urdu and Shehzad secured the top position in English in the Juniors. Naeem (Seniors English) Sabahat and Amjad (Juniors Urdu) also spoke well.

There was an anti-climax at Indoor Games ; but Tariq Ahsan and some of the Sixteenth Entry players like Sipra and Ali Haider seem promising at Table-Tennis and I hope we shall do better this year. Azfar remained unbeaten at Chess. Kaleem is another promising player.

Our fourth success in the same term came in Swimming when we surprised everyone by leading both in the Seniors and the Juniors. While Yasin, Fazlur, Shamim, Naqueeb, Tariq Ali and Shujaat were the outstanding swimmers in the Seniors, Mukhles, Shafique, Hameed, Shafi, Moin and Shams are promising Juniors. Yasin, Salim and Pervez did well at diving. Abraham and Mukhles got positions in the Individual School Championship.

The following term we did not do so well at Football, but we compensated for it by winning the Hockey Shield. At Football Yasin, Fahim, Khattak and Abraham in the Seniors, and Hameed, Mukhles and Shafique in the Juniors were the most prominent players. At Hockey the Juniors did extremely well to win all their three matches and at times even beat a superior team through spirit and determination. Yasin, Abraham and Tariq Ali in the Seniors, and Hameed, Shehzad, Tanwir, Alamdar, Azfar and Mukhles in the Juniors deserve special mention. Yasin at Hockey and Fahim at Football have won School Colours.

At P.T. we were second by a narrow margin ; but we did not do so well at Gymnastics. Yasin and Hameed are, however, in the School Gymnastics team. Drill was a great disappointment for us, and must be for the Old Boys as well for we had always done very well in this field. What is more, as far as we could see, our flights were both smart and full of life ; but the judges seemed to think otherwise. I hope, however, the Furians will not get discouraged. As far as I am concerned, we did pretty well.

However, we ended up fairly strongly by coming second in Academics and winning the Gliding Trophy. Mukhles (10M), Kalim and Zillur-Rehman (10A), Shafique (9C) and Zaidi (8B) got positions in Academics. At Gliding nine Furians won their 'Wings'.

The Athletics Cup was missed by just six points, and in fact it was the last relay race which decided the cup. Had our best athlete, Yasin, not pulled his muscle during the competition, the story might have been different. From amongst those who did well in their respective events, Yasin, Fahim, Shujaat and Tariq Ali in the Seniors, and Shafique, Hameed, Mukhles, Alamdar and Shafi in the Juniors deserve special mention.

Fury House—Winners of the Inter-House Championship 1966

So much for our success inside the School. Furians are doing well at Risalpur as well. It is a matter of pride to us that out of the 25 Sargodhians who joined Risalpur in the last course, twelve were Furians. Pervez Akhtar Nawaz and Ehsan-ul-Haq secured the third and the fifth positions respectively in the August entry test at Risalpur, while Bilal, Marghoob, Arif and Tahir are holding various appointments. Others have joined the P.M.A., and Salam-ul-Haq has just been commissioned from Sandhurst.

Needless to say, we have had our fun as well. Picnics to Sodhi and Head Faqirian were most enjoyable, while 'Tambola' and 'Treasure Hunt' added further to the charm in 'Fury' life. We are grateful to the School authorities for being generous in the mileage given to us for these outings.

The following were awarded House Colours during 1966 :—

- Cricket* : Fuzl-ur-Rehman, Arif, Tariq Ali Khan, Tariq Ehsan and Hameed.
- Basketball* : Tariq Ali, Arif and Ehsan-ul-Haq.
- Swimming* : Fazl-ur-Rehman, Shamim, Naqeeb, and Abraham.
- Football* : Abraham, Khattak, Arif, Shamim, and Tariq Ehsan.
- Hockey* : Tariq Ali, Arif and Shujaat.
- Gymnastics* : Tariq Ehsan and Hameed.
- Athletics* : Tariq Ali, Shujaat and Shafique.

To conclude, I would once again congratulate the Furians on winning the Chigwell Shield for the eighth time in thirteen years and both the Senior and Junior Championship Shields. Indeed, it needs a lot of hard work and determination to achieve that. It is the training behind these achievements which is important—we need real 'Shaheens' for the P.A.F.

## SABRE HOUSE REPORT 1966

<i>Housemaster :</i>	Mr. Abdul Qadeer Beg, M.Sc. (Hons).
<i>Asst. Housemaster :</i>	Mr. Noor Mohammad, M.A.
<i>P. T. I.</i>	Mr. Ali Sher
<i>House Captains :</i>	Ahsan Zaki Faruqi, Saleem Akhtar Qasim and Rashid Ahmed (in succession).
<i>School Prefects :</i>	S. M. Abbas, Arman Habib and Naseem Beg (in succession)
<i>House Prefects :</i>	Syed Afzal and Saleem Akhtar Qasim Nazeer Siddiqi and Javaid Iqbal (in succession.) Hasan Saleem Hayat and Hamid Abbas

Although we won only one Trophy, namely Academics, in 1966, we secured second position in no less than six of the other ten Inter-House Competitions. Thus we managed to move up from last to second place in the over-all Championship. Let's hope that this upward trend continues in 1967 and that we dethrone the present Champions. Our prospects of doing so appear quite bright.

In Cricket, the first competition, our senior team depended far too much on the efforts of two players—Zaki and Syed Afzal—and so won only one match. Our Juniors, thanks to the all-round performance of Zakaullah and Farooq Raza, and the batting of Qamar, won two of their three matches but this gave us only third position. The less said about Basketball, the better. We failed to win a single match. But we fared much better in Debating, in which we secured second position. We won the Seniors' English Debate and the Juniors' Urdu, Shahid Karim and Junaid Iqbal being declared the best speakers. We also came second in Indoor Games, in which Naeem Sheikh, Zakaullah and Salman Yasin distinguished themselves in the Seniors. and Qamar, K. P. Akbar, Razzaq and Waheed in the Juniors. But we again met with disaster in Swimming, in which we dropped to fourth position. Our only successes were in the Seniors' Front Crawl and the Juniors' Plunge, won by Farid Bilgrami and Shafiq-ul-Islam.

Thus by the end of the first term we were lying last in the over-all Championship with only 20 points, 13 points behind the leaders—Fury. But in the second term we really came into our own, and although we did not succeed in overtaking the leaders, we made a very strong challenge and scored more points than they did—34 against 30.

In Football we put up a close fight for first place but were beaten by 1 point by Tempest. Rashid, Bakhtiar, Beg and Rafique played particularly well in the senior matches, and Yousuf, Khalid and Shafiqul Islam in the Juniors. In Hockey, too, we failed to secure first place by only 1 point. In the Seniors, Beg, Rashid and Masud were especially prominent. while Qamar, Khalid Jamil and Waheed played well for the Juniors. Each team lost one match by the narrowest possible margin.

It was Academics that provided us with a really resounding triumph. We actually scored 24 points out of a possible total of 30, so the other three Houses together scored only 6 points. It was a pleasant sight to us to see boy after boy from our House go up to receive an academic prize on Founder's Day.

In the combined P. T. and Gymnastics Competition we again came second. Our P. T. team performed admirably and was adjudged the best, but we went down in Gymnastics, despite the excellent performance of Masood Hussaini. In securing second position in the Drill Competition, we were perhaps a trifle lucky. Our senior squad, commanded by Rashid, occasioned considerable surprise by being declared the best, but the same good fortune did not smile on our junior squad.

With only the Athletics Competition left, we were only 5 points behind Fury. But we were no match for them in Athletics, in which they came second while we were last. Our only Athletes to score any points were Reza-ul-Haq, Bakhtiar and Masood in the Seniors, and Shafiq (796), Qamar and K. P. Akbar in the Juniors.

Another activity in which we fared well was Gliding. Eight of our boys got their 'Wings', which gave us second place to Fury who had one more. In Aero-modelling, too, we were well to the fore. Saeed Ahmed was the Secretary of the Club, while Naeyem Sheikh gave a wonderful display with his control-line model on Founder's Day.

The House Radio Room has been given a new look by the provision of new sofa covers and cushions, while a number of new records have been added to the previous stock. Our thanks are due to Saeed Ahmed for the trouble he has taken in this connection.

Our congratulations to Azhar Ali Bokhari on becoming, Under-Officer at the P.A.F. College, Risalpur.

The following were awarded House Colours this year:

<i>Cricket :</i>	Zakaullah (704)
<i>Basketball :</i>	Hasan Saleem Hayat (659), Naseem Beg (664)
<i>Swimming :</i>	Naseem Beg
<i>Football :</i>	Naseem Beg, Rafique (627), Bakhtiar (682)
<i>Hockey :</i>	Masood Akhtar Hussaini (687)

The following won academic prizes in the 1966 Annual Examination :

<i>1st Prize :</i>	Rezaul Haque (699), Pervez Akhtar (708), Junaid Iqbal (731), Fareed Bilgrami (734), Iftikhar Ahmed (818), Ahmed Riaz Naji (800).
<i>2nd Prize :</i>	Zakaullah (704), Bahri Kamal (822).

## ATTACKER HOUSE REPORT

<i>Housemaster :</i>	Mr. S. Fasih-ud-Din, M.A.
<i>Asst. Housemaster :</i>	Mr. A. B. Chughtai, B.Sc., C. Ed. (Cambridge).
<i>P. T. I.</i>	Sgt. Mohd Hussain.
<i>House Captain :</i>	Qazi Omar-ul-Huda.
<i>School Prefect :</i>	Iqbal Habib.
<i>House Prefects :</i>	Rana Jawaid Akhtar and Mohd Jawed Khan.

The year that has gone by saw us winning and losing in the various tournaments by a variation of an equally good and bad display. It is interesting to recall that in the last six competitions we came fourth in the first three and first in the last three thus performing two consecutive 'hat tricks' though of a diametrically opposite nature. Had it not been for the fine performance of our gymnasts and athletes, coupled with an exhibition of immaculate marching by our Junior Flight, we should have ended up a poor last in the Chigwell Shield. However, their brilliant last-minute rally could at best, due to our earlier debacles, give us only third position. This underlines the importance of early victories in the competitions and also proves the old saying, 'well begun is half done'.

Our poor showing in Cricket was due more to lack of concentration and timid batting than to the vagaries of the game itself. The Seniors were a weak team and they showed no fighting spirit. The Juniors were, however, unlucky to lose their match against Tempest as Laeeq Omar had given a courageous display of batting and had put the side in a commanding position.

In Basketball we improved our position a bit by finishing third in the tournament. We won both our matches against Sabre fairly comfortably. Rana and Iqbal Habib played well for the seniors and Nayab and Moazzam for the juniors. We had smooth sailing in the Indoor Games competition and our seniors and juniors alike made short work of their opponents in most of their matches. Talat and Siddiqi won all their matches in Table-Tennis while Shahid Hayat, Amin and Tariq Jamil earned this distinction in draughts. Abu Zafar and Laeeq Omar also emerged unbeaten champions.

We prepared well for the Debating contest but our senior speakers, particularly in English, failed to live up to their reputation and could not secure any position. However, Omarul Huda spoke forcefully and was unlucky not to have got any position. The Juniors did well in Urdu and Arshad Hamid made an excellent maiden speech and was adjudged the second best speaker.

It was unfortunate that despite our best efforts we could not re-establish our supremacy at Swimming. We tied with Tempest for the second place and Fury won

by a big margin. However, the individual performances of some of our swimmers were highly commendable. Masood Jamal and Orooj dived with perfection, the former becoming the best senior diver. In other events Bajwa, Anwar, Humayun, Siddiqi, Khalid Azmat, Hussam-ud-Din and Masood Akhtar swam well.

We made a disastrous start in the second term by finishing at the bottom in the first three competitions, viz Football, Hockey and Academics. Our defeats in Football and Hockey were most unfortunate and sealed our fate as far as winning the Chigwell Shield was concerned. The performance of our boys in Academics was equally disappointing. We have no excuses to offer for these failures. Perhaps the senior boys had developed an attitude of complacency and the juniors did not exert themselves enough.

Nevertheless, our victory in P.T. and Gymnastics infused a new spirit in the boys who geared themselves to bring about an admirable recovery in the ensuing competitions. They made a determined effort for the Marching competition and deservedly won the cup. Our victory in Athletics was a foregone conclusion and we achieved it without much trouble despite an unfortunate disqualification and one mishap in a relay race which cost us a total of 24 points. The credit for winning the P.T. and Gymnastics cup goes largely to the Gymnastics skipper, Abu Zafar, and his efficient team who performed the various exercises most skilfully. In the Drill competition the marching performance of our junior flight was a treat to watch. Omarul Huda was declared the best commander among the seniors. Our outstanding athletes among the seniors were Rana, Iqbal Habib, Nayab, Anwar, Sherbaz and Jawaid Saeed, and among the juniors Siddiqi, Khurram, Salim Khan and Ilyas. Rana and Siddiqi had the distinction of being declared the best athletes among the seniors and juniors respectively, while Nayab became the runner-up among the seniors. Unfortunately Salim Khan fell ill during the tournament, otherwise he would have easily become the juniors runner-up. Rana had also the proud distinction of creating a new School record in the 110 metres hurdles.

As many as seven of our boys got their 'Wings' at Gliding. They are Rana, Abu Zafar, Humayun Kabir, Kazmi, Talat, Iqbal Habib and Shahid Hayat. Omarul Huda was the Chief Editor of the School News Sheet and Masood Jamal worked as an assistant.

We are happy to learn about the progress and achievements of ex-Attackerites. Niaz Nabi (ex-432) is reported to be doing extremely well at Cranwell, while Ayaz Ahmed Sipra, who was under training at the P.M.A. Kakul, won the C-in-C's Cane at the Passing Out Parade of the Short Service Commission Officers. Abbas (ex-127), Ishtiaq Bashir (ex-482) and Amir Ahmed (ex-452) have already received their Commissions from the P.M.A. Kakul and are serving in different Units of the Army.

We are pleased to know that our boys are doing well at Risalpur. Musharraf (ex-549) has earned the appointment of a Corporal and Flt/Lt. Saiful Azam, who has been an instructor at the College, has proceeded to Jordan to assist the Jordanian Air Force—a rare distinction for a young Pakistani.

Boys of the 13th Entry staged a variety show in March which was highly appreciated by a large gathering including several members of the staff. Two picnics were also arranged during the year—one to Kalabagh in March and the other to Head Faqirian and Daphar Forest in October. Both were successful as they provided all that the boys need on such occasions—outing, fun and sumptuous meals.

In the end I must express my gratitude to Mr. Chughtai for his co-operation and advice in running the House. I also thank the appointment holders for their assistance.

House Colours were awarded to the following :—

<i>Cricket :</i>	Jawaid Saeed.
<i>Hockey :</i>	Talat Mahmud.
<i>Football :</i>	Nayab and Anwar.
<i><u>Swimming :</u></i>	Humayun Kabir and Masood Jamal.
<i>Athletics :</i>	M.A. Siddiqi.
<i>Gymnastics :</i>	M.A. Siddiqi.

## TEMPEST HOUSE REPORT

<i>Housemaster :</i>	Mr. Syed Mohammad Taqvi, M.A., B.Sc., B.T., C. Ed. (Cambridge).
<i>Asst. Housemaster :</i>	1. Mr. R.M.Y. Fletcher, B.A., C. Ed. (London). 2. Captain K.A. Qureshi, M.A.
<i>P.T.I.</i>	Mr. Mahboob Alam.
<i>House Captains :</i>	1. Mohd Shafiq Khan. 2. Mahmud Gul. 3. Ekramul Haq.
<i>School Prefects :</i>	Mahmud Gul, Mehdi Raza, A. Qayum.
<i>House Prefects :</i>	Mehdi Raza, Tausif Azmat, Saeedullah, Saadat and Mominul Islam.

The year under review showed the decline of the House to the last position in the Championship. Till the end of the first term we were running second, but we could not maintain this position in the second term. This was partly due to the weak 16th Entry and partly due to circumstances which were not only beyond our control but were rather unfortunate. To sum up, we won the Football Shield, tied for Basketball and were runners-up in Cricket and Swimming.

In Cricket we beat all the Houses except Fury, which had an extra-ordinarily strong senior side, and had to be content with the second position. Our Juniors skittled out Attacker for a meagre 20, the lowest score of the season. Fakhrul and Zahid proved deadly bowlers. Toor, Saeedullah and Gul were prominent amongst the Seniors.

The Junior Basketball team, ably led by Fakhrul, did wonderfully well and all the junior matches were won, while the Seniors lost only to Fury and thus we tied with Fury for the first place. This was due to the brilliant performance of Gul, Ekram and Qayyum in the Seniors, and Fakhrul, Ahsan, Khurshid and Qayyum Sher in the Juniors. Ekram and Qayyum are in the School first five and have won School Colours.

In the English Debate Ekramul Haq was second best speaker in the Seniors, while Mansoor was second best in the Juniors, both losing the first position by a solitary point. In the Indoor Games Competition Ekramul Haq was Champion in Carrom while Khairul was unbeaten in the Juniors' Table-tennis.

In Swimming, though we shared the second position with Attacker, Mansoor and Shahid Ghani were the two best divers in the Juniors. Ekramul Haq proved to be the best swimmer in the whole School by coming first in the 50 metres breast-stroke and back-crawl and second in front-crawl. He is the only one to be awarded School Swimming Colours this year. Incidentally he also beat the last year's School Champion, Anwar of Attacker.

## TEMPEST HOUSE REPORT

<i>Housemaster :</i>	Mr. Syed Mohammad Taqvi, M.A., B.Sc., B.T., C. Ed. (Cambridge).
<i>Asst. Housemaster :</i>	1. Mr. R.M.Y. Fletcher, B.A., C. Ed. (London). 2. Captain K.A. Qureshi, M.A.

This was partly due to the weak 16th Entry and partly due to circumstances which were not only beyond our control but were rather unfortunate. He is the only one to be awarded School Swimming Colours this year. Incidentally he also beat the last year's School Champion, Anwar of Attacker.

Unfortunately the second term started with an accident when Fakhru Azam, one of our best all-rounders, dislocated his arm. This caused us a great set-back in all the events of the term as he was unable to participate in any of the competitions.

The Football team was coached by our new A.H.M., Mr. Khalique, and was successful in annexing the shield after several years. The Senior team was unbeaten. Saadat, the custodian, brought off some spectacular saves, his game being a treat for the spectators. No opponent could get the ball past him throughout the Competition. Ekram, Khalid, Hameed and Nasir also played exceptionally well. Ekram the Captain and Saadat the custodian have both been awarded School Colours.

There was a chance that Tempest might have pulled off Hockey too, as the Seniors were the unbeaten Champions (like they were in Football) but the poor finish of the Juniors in the 'D' proved their undoing. Very good performances were given by Saadat, Toor, Qayyum and Nasir in the Seniors, and Shahid and Zafar in the Juniors. Saadat, Captain of the School Eleven, and Toor, a prominent member of the School team, have been awarded School Colours.

The House did quite well in P.T. but due to successive falls by Saadat in Gymnastics we could not get a respectable place. In Drill, Mansoor, our Junior Commander, was judged the best and his Flight the second best Flight. The Senior Flight, which consisted mostly of S.C. formers, seemed out of practice. As a matter of fact their final Exam had finished only four days before.

In Athletics we improved our position on the ladder over previous years. Ekramul Haq was first in the Long Jump and second in the Pole-Vault, while Abdul Qayyum and Qayyum Sher secured first and second places in the Discus. Abdul Qayyum also won the Obstacle Race for the Prefects on Founder's Day. Saadat came third in the 110 metres Hurdles as well as in the High Jump. Laiq (701) finished third in the 1500 metres, while Khalid was third in the Javelin. The Seniors were runners-up in the 4 x 100 metres relay. Among the Juniors Bhatti was first in the 200 metres, Mazhar came second in the 400 metres, Iqbal stood second in the Discus and Khairul third in the Pole-Vault. The House Tug-of-war team proved too strong for any other House.

In Academics Helal and Zulfiqar secured First Division in the Senior Cambridge School Certificate Exam and five others secured second Divisions. In the School Examinations Ahsanul Haq, Mahbub, Masood, Mahmud and Imtiaz won academic prizes.

The P.A.F. Public School has been established to train young boys for the P.A.F. College, Risalpur, and our House contribution has been by no means meagre. A record number of 12 Tempestians joined Risalpur this year. Jamal Hossain

(425-T) brought a feather in our cap by winning the Ground Subjects Trophy a Risalpur College in July. At the School, Gliding opportunities are afforded to the Seniors, and Ekram, Qayyum, Shabbir, Momin and Toor did their solo and received their 'Wings' from Air Commodore Dogar on Founder's Day.

Another feather in our cap was added by Humayun, who joined a Short Course at the P.M.A. Kakul and won all the three awards, viz the C-in-C's Cane, the Artillery Medal and the Tactics Medal. Congratulations, Humayun Khan.

The House was fortunate enough to have two long recreational trips, one to Daud Khel in the first term and the other to Kalar Kahar in the second term. Besides enjoyment the trip to Daud Khel proved to be of great educational value to the Science and Geography students as visits were arranged to the Salt and Coal mines, the Fertilizer Factory and the Jinnah Barrage.

Naeem (651-T) continued to edit the School fortnightly Urdu Newsletter "AINA" which is gaining more and more popularity due to its improved standard.

To break the monotony of the Evening Preps numerous variety programmes were arranged during the year. An active part was taken by Mehdi Raza, Naeem, Saadat, Fakhrul, Tahir, Mansoor, Bhatti, Mazhar and others. A humorous short sketch "Village School", written and staged by our AHM, Mr. K.A. Qureshi, was very successful. Another sketch liked by the boys was "Ghora ghas khata hai" in Urdu staged by Naeem and Saadat.

The annual House Prize Distribution was held on the 9th of December. The prizes were given away by one of our old boys Flt/Cadet Ameenul Haq. The following were the winners :—

Events	Seniors	Juniors
Table-tennis	Fakhrul	Shahid
English Debate	<u>Ekram</u>	Mansoor
Urdu „	Naeem	Hadi
Dramatics	Saadat	Iqbal

The Tariq Cup was won by Dormitory III for the 3rd year in succession. Naseer was the Dormitory Captain in the first term and Toor in the second term.

House Colours were awarded to the following :

<i>Cricket :</i>	Toor and Moninul Islam.
<i>Basketball :</i>	<u>Ekram, Saeedullah, Qayyum and Saadat.</u>
<i>Swimming :</i>	<u>Ekram and Mominul.</u>
<i>Football :</i>	<u>Ekram, Khalid and Nasir.</u>
<i>Hockey :</i>	Saadat and Toor.

Finally we all owe a word of appreciation and thanks to Mr. Fletcher, our Ex-Assistant House Master, who left us at the end of the last term on taking over as Senior English Master at Lower Topa School. During his stay for a year and a half Mr. Fletcher trained the boys for Debate, Swimming and various sports. He also staged an English drama which was very successful. He helped the Housemaster in the administration and took a keen interest in all the activities of the House. We wish him the best of luck.

Captain K.A. Qureshi took over as AHM after serving in the Army during the National Emergency. He is not new to the House for he was actually our first AHM. His keen interest in games won us the Football Shield. We are grateful also to his wife who takes a keen interest in all the activities of the House.

## CRICKET HUMOUR

Cricket provides more humorous stories than any other game. The following true stories are some of the best known samples.

Dr. W. G. Grace, the greatest cricketer of all time, once had to spend all night on a difficult maternity case. Next day, fresh as ever, he made a huge score. When he was out, one of the players asked him about the maternity case. "Oh, it was fairly successful," replied W.G. "The mother died, and the baby died—but I saved the father!"

---

Dr. W. G. Grace once went to play for the M. C. C. against Oxford University. The University team were decidedly alarmed when they heard that the great man was coming to play against them, and they decided that the only thing to do was to offer him a lot to drink before the game started. To their delight he accepted their offer and drank several glasses of champagne. The plan, however, failed completely. The champagne seemed to have exactly the opposite effect to what was intended for W. G. not only made a quick century but also took all 10 Oxford wickets.

---

On the day after receiving his medical diploma, Dr. W. G. Grace went to Lord's cricket ground to play for the M. C. C. against Yorkshire. The first person he met was Tom Emmett, the famous Yorkshire and England bowler. "Well, Tom," said W. G., "I've got my diploma."

M. C. C. won the toss, and when Yorkshire came out to field, the ground was wet and slippery. Tom Emmett was fielding close in at point and W. G. cut the ball very hard straight at him. It struck Tom full in the middle and knocked him over backwards. There he sat, clutching the ball and gazing at the sky.

"Are you hurt, Tom?" asked W. G. anxiously.

Tom slowly rose and, turning round, showed a large patch of mud on the seat of his trousers.

"No, doctor," said Tom, "but I've got my diploma."

---

When Yorkshire were playing against the South Africans, the South African, H. B. Cameron, hit Hedley Verity, the famous bowler, for 3 fours and 3 sixes in one over. At the end of the over Arthur Wood, the Yorkshire wicket-keeper, remarked to Verity, "You'll soon have him out now, Hedley. You've got him in two minds. He doesn't know whether to hit you for 4 or 6."

---

Walter Robins, the Middlesex skipper, was in the habit of advancing yards down the pitch to the slow bowlers, and if he happened to miss the ball, he continued straight to the pavilion without looking round, assuming that the wicket-keeper would stump him.

On one occasion it was a very muddy day and T. B. Mitchell, the Derbyshire slow bowler, was bowling leg-breaks from the pavilion end. Patsy Hendren, the England batsman and a great joker, was the non-striker. As usual Robins advanced up the wicket, missed the ball, and started to walk towards the pavilion without a glance round. Quick as lightning Patsy called out, "Look out: he's (*i. e.* the wicket-keeper) missed it." Robins turned round and flung himself full length on the muddy pitch to just get his bat inside the crease.

The crowd roared and Robins got up feeling pretty pleased with his effort as he brushed the mud off his shirt and trousers. Then he looked up and saw to his horror that the bails were off, and wicket-keeper Harry Elliot was tossing the ball from hand to hand and chatting to the slip fieldsmen. He hadn't missed it!

---

George Macaulay, a famous Yorkshire bowler, who loved taking wickets but hated having runs scored off him, was once bowling against E. F. Longrigg of Somerset. By chance he bowled a half-volley which the batsman hit with terrific force straight at Bill Bowes, the England bowler, who was fielding at mid-off. Bowes, who was 6 ft. 4 in. tall and wore spectacles, completely lost sight of the ball which struck him clean in the centre of the forehead and then went to the boundary. Bowes gradually sank to the ground, knocked out. When it was found that he was not seriously hurt, the Yorkshire players couldn't restrain their laughter, and when 'Mac' came up to bowl the next ball he was laughing so much that the ball slipped out of his hand and rolled half way down the pitch. The batsman, as is his right, advanced down the pitch and slammed the stationary ball to the boundary.

'Mac' was still laughing. "It's all very well laughing," remarked umpire Bill Reeves, "but supposing it had been an inch or so lower—it might have hit him in the glasses and blinded him."

'Mac's laugh vanished, but not out of sympathy for Bowes. He suddenly realised that not only had a catch been dropped but 8 runs had been given away. "Hit him in the glasses!" he said angrily. "It should have killed him. Fancy missing a 'sitter' like that!"

---

The light was bad and a very fast bowler was bowling bumpers at the Somerset batsmen and causing the ball to whizz past their ears. With the sixth ball of an over he bowled down the ninth wicket. Andrews, the last Somerset batsman, went

in, feeling decidedly scared. He realised of course that unless his partner scored a run off the slow bowler, he would have to face the fast bowler the following over. Five balls were bowled and were carefully blocked by the other batsman. The sixth ball hit him on the pad. Instantly there was a loud roar 'How's that!' The Umpire raised his finger. As the players strolled towards the pavilion, the bowler murmured, "I suppose the chap was out but I wonder who appealed. It wasn't me."

"That's all right," said Andrews cheerfully. "It was me."

---

Percy Perrin of Essex was a great batsman but he was very slow in the field. One day he received a warning from his skipper. "Grand batsman as you are, Percy, you'll have to improve your fielding. It's not enough to trot gently after the ball to the boundary. Remember it's your job, whatever happens, to save the four."

The next match was at the Oval, where the boundaries at that time were unusually long. Soon a Surrey batsman put one past Perrin, who, remembering his skipper's words, ran after it at his best pace and managed to stop it within inches of the line. Returning to his position in the field and feeling pretty pleased with his effort, he said to the skipper, "I saved that four anyway."

"Yes," replied his skipper, "and the batsmen only ran eight."

---

In Yorkshire there is tremendous keenness on cricket. Once a stranger happened to see a funeral procession passing along a street in Bradford. To his surprise he noticed a cricket bag on top of the coffin, so he remarked to the man standing beside him, "He must have been a keen cricketer."

"He *is* a keen cricketer," replied the other. "That's his wife's funeral. He's playing in a cup match at 3 o'clock and he hasn't got time to go home for his things after the burial."

---

Patsy Hendren, the England batsman, was a great leg-puller. He was very fond of hooking fast bowlers who pitched the ball short. The first time Alf Gover, the Surrey fast bowler, played against him, Patsy said to him, "Don't pitch them short to me today, young man. I'm not as young as I was and I can't see them as well as I used to."

Naturally when Patsy came in, Gover started a series of short bumpers and was promptly hooked for boundary after boundary until Jack Hobbs suggested that he should pitch them up. "But Mr. Hendren said he didn't like them short," replied poor Alf.

## THE CHIGWELL SHIELD, 1966

The Chigwell Shield, awarded to the House winning most points in the Inter-House Competitions during the year, was won by Fury House for the 8th time in 13 years. Of the 5 Inter-House events held in the first term, Fury won 3 outright and tied for 1st place in another. They thus secured a lead of 9 points over their nearest rivals—Tempest House—by the end of the first term.

Sabre House made a strong challenge in the second term, in which they scored more points than Fury, but they came to grief in the last competition—Athletics—so that Fury ended up over-all winners with 63 points, followed by Sabre (54) Attacker (53) and Tempest (50).

Details of the points won by each House are given below :-

	Fury	Sabre	Attacker	Tempest
Cricket	8	4	2	6
Basketball	7	2	4	7
Debate	8	6	4	2
Indoor Games	2	6	8	4
Swimming	8	2	5	5

### Inter-House Senior and Junior Shields

This year the School Council decided that in addition to the over-all Championship Shield—the Chigwell Shield—there should also be separate shields for the Seniors and Juniors who won most points in the Inter-House Competitions during the year. We wish to thank the Old Boys Associations of East and West Pakistan for presenting the Seniors' and Juniors' Shields respectively. Fury House won both shields this year.

The points were as follows :-

*Seniors :* Fury 55 : Sabre 51 : Tempest 49 : Attacker 45.

*Juniors :* Fury 59 : Sabre and Attacker 49 : Tempest 43.

## CRICKET

In the first term our Cricket team was fairly strong but lost the all-important match against Lower Topa by the narrow margin of 7 runs, due partly to the fact that we had to bat on a rain-affected pitch. In the second term we had a very young team and were again narrowly beaten by Topa. However, most of these young players will be with us for another two or more years so that we are likely to have a very good team in the years ahead.

The School team consisted of:

First Term: Zaki (Capt), Feroze, Kauser, Saeed Afzal, Saeedullah, Yasin, Zakaullah, Tariq Ahsan, Farooq Raza, Fakhrul, Toor.

Second Term: Yasin (Capt), Zakaullah, Tariq Ahsan, Farooq Raza, Hameed Afzal, M. A. Siddiqi, Mohd Shahid, Mansoor Ahmed, Laeeq Umar, Qamaruzzaman, Nadeem Sipra.

School Colours were awarded to Yasin, Zakaullah and Tariq Ahsan. Zaki and Feroze were old Colour-holders.

## The Inter-House Cricket Competition 1966

With practically the same team as in the previous year, Fury Seniors swamped their opponents. Feroze again had a batting average of over 100 and also headed the bowling averages. Tempest won two senior matches and had their juniors beaten Fury they would have won the Cup as they won their other two junior matches.

The final points were :

1. Fury 10      2. Tempest 8      3. Sabre 6      4. Attacker 0.

Team Captains were :

	Seniors.	Juniors.
Fury :	Saeed Afzal.	Tariq Ahsan.
Tempest :	Saeedullah.	Tahir Sibtain.
Sabre :	Zaki.	Zakaullah.
Attacker :	Javaid Saeed.	Moazzam.

## BASKETBALL

The Basketball team lost only one match throughout the year, despite the fact that the whole first 5 left the School in April. We beat the P.A.F. School, Lower Topa, in both matches though by a much smaller margin than usual in the second. Our first defeat in two years was at the hands of the Agricultural University of Lyallpur. As usual, we are greatly indebted for our success to Mr. Khurshid Moti Lal's untiring efforts in coaching the players and keeping up a high standard.

Details of the School matches are as follows :

Opponents	Result
P.A.F. School, Lower Topa.	Won 61—23 (Feroze 25, Ehsanullah 16, Kausar 8, Fahim 6, Saeed Afzal 4, and Yasin 2).
Police Training College.	Won 66—25 (Fahim 18, Ekram 14, Yasin 8, Fakhrul 6, Momin 6, Rana 2, Qayyum 2, J. Saeed 2).
Govt. College, Sargodha.	Won 65—26 (Fahim 20, Ekram 19, Yasin 18, Qayyum 2, Momin 2, Iqbal 2, Hayat 2).
Govt. College, Sargodha.	Won 62—21 (Fahim 24, Yasin 16, Ekram 14, Momin 4, Qayyum 2, Tariq 2).
P.A.F. School, Lower Topa.	Won 47—37 (Fahim 22, Ekram 12, Yasin 9, Beg 4).
Agricultural University Lyallpur.	Lost 39—54 (Fahim 16, Yasin 13, Ekram 4, Qayyum 2).

The School team consisted of :

*1st Term :* Feroze (Capt), Saeed Afzal, Mahmud Gul, Ehsanullah, Kausar, Fahim, Ekram, Yasin, Naseem Beg, Qayyum.

*2nd Term :* Fahim (Capt), Qayyum, Yasin, Ekram, Naseem Beg, Hayat, Mominul, Tariq Ali, Iqbal Habib, Javed Saeed.

School Colours were awarded to Fahim, Yasin, Naseem Beg, Ekram and Qayyum. Previous Colour-holders were Feroze, Ehsanullah, Saeed Afzal, Kausar and Gul.

### The Inter-House Basketball Competition, 1966

Fury and Tempest tied for first place with 10 points each but the former won the Cup because they scored full points in the Senior matches. Attacker were 3rd with 4 points, while Sabre failed to win a single match.

Fury Seniors were far too good for the other House and beat all previous records by scoring 150, 120 and 85 in their three matches. But perhaps more credit goes to Tempest Juniors, who won their three matches in more evenly contested games. Their last game against Fury Juniors, whom they beat 17-14, proved the highlight of the Competition.

The chief point scorers were :

*Seniors :* Feroze (577F) 138; Ehsanullah (551F) 138; Kausar (550F) 53; Ekram (622T) 45; Rana (614A) 40; Iqbal Habib (642A) 40.

*Juniors :* Fakhrul (694T) 44; Shujaat (695F) 44; Nayyab (703A) 29; Farooq Raza (719S) 23.

### INTER-HOUSE INDOOR GAMES COMPETITION 1966

Attacker House won this competition in convincing style and led both in the senior and junior events, with Sabre second in both. The points scored were :

	Seniors	Juniors	Total
Attacker	45	49	94
Sabre	42	36	78
Tempest	29	30	59
Fury	17	16	33

The following competitors won all their matches :

<i>Table-Tennis :</i>	(Seniors) Talat (651 A), Zaka (704 S), Naeyem (675 S), Salman (707 S).
	(Juniors) Siddiqi (737 A), Khairul (821 T), Qamar (834 S), Waheed (754 S).
<i>Carrom :</i>	(Seniors) Ekram (622 T), Iqbal Habib (642 A).
	(Juniors) Laeeq (724 A), Tariq (723 A), K. P. Akbar (782 S), Razzaq (795 S).

<i>Chess :</i>	(Seniors) Abu Zafar (619 A), Kaleem Saadat (697 F).
	(Juniors) Azfar (736 F).

## THE INTER-HOUSE DEBATING COMPETITION 1966

Once again Fury House won the Debating Competition—for the fourth time running. They won the Seniors Urdu Debate, in which Rashid Anjum and Kalim Saadat were declared the two best speakers; and they also won the Juniors English Debate, in which they also provided the best speaker—Shehzad Waheed. But Sabre House put up a strong challenge, winning the Seniors English and Juniors Urdu Debates and providing the best speakers in both, viz. Shahid Hamid and Junaid Iqbal respectively.

As usual, in order to prevent any parrot-like repetition of memorised speeches, the topics were given to the competitors only half an hour before each debate and they were given no chance to consult anyone else. The standard of the speeches was quite good but the speakers were in some cases inclined to ignore the time limit and carry on after the bell. Some had prepared a set opening which could be used no matter what the subject was. This gains them no credit with an experienced judge.

The result was :

1. Fury	390 points.	3. Attacker	339 points.
2. Sabre	383 points.	4. Tempest	312 points.

**Seniors' English Debate :** *'That the Cease-Fire was not in the best interest of Pakistan'.*

1. Sabre :	(Shahid Karim and Hamid Abbas)	112 points.
2. Attacker :	(Omarul Huda and Masood Jamal)	95 points.

4. Tempest :	(Ekramul-Haque and Sh. Laeeq-ur-Rehman)	89 points.

**Best Speakers :**

1. Shahid Karim.	2. Ekramul Haque.
3. Hamid Abbas and Naeem Malik.	

**Seniors' Urdu Debate :** *'Daulat khushi nahin kharid sakti'.*

1. Fury :	(Rashid Anjum and Kaleem Saadat)	100 points.
2. Sabre :	(Khalid Kidwai and Kamran Afridi)	90 points.
3. Attacker :	(Rana Javid and Sherbaz)	75 points.
4. Tempest :	(Mohd Naeem and Ahsanul Haq).	66 points.

**Best Speakers :**

1. Rashid Anjum.	2. Kaleem Saadat.	3. Khalid Kidwai.
------------------	-------------------	-------------------

**Juniors' English Debate:** *'That the Senior Cambridge should not be replaced by the Matriculation at this School'.*

1. Fury :	(Shehzad Waheed and Hashim Pervez)	108 points.
2. Tempest :	(Mansoor Ahmed and Ehtisham)	87 points.
3. Sabre :	(Basharat and S. M. Hali).	83 points.
4. Attacker :	(Khalid Iftikhar and Naeem Jan).	80 points.

**Best Speakers :** 1. Shehzad Waheed. 2. Mansoor Ahmed.  
3. Hashim Pervez.

**Juniors' Urdu Debate :** *'Inter-House ke muqabile faide se ziada nuqsan pahunchate hain'.*

1. Sabre :	(Junaid Iqbal and Khalid Bashir)	98 points.
2. Attacker :	(Laeq Umer and Arshad Hamid)	89 points.
3. Fury :	(Amjad Ali and Sabahat Ali)	89 points.
4. Tempest :	(Abdul Hadi and Anis Ahmed)	70 points.

**Best Speakers:** 1. Junaid Iqbal. 2. Arshad Hamid. 3. Khalid Bashir.

### INTER-HOUSE SWIMMING COMPETITION 1966

Fury House won this competition easily. They did particularly well in the junior events, in which they took first place in 4 of the 6 events. Attacker won 3 of the 6 senior events but their juniors were weak and they were only able to tie with Tempest for 2nd place.

Points scored and team Captains were :

	Seniors	Juniors	Total
Fury (Fazlur Rehman)	23	30	53
Attacker (Javed Sultan)	22	13	35
Tempest (Ekramul Haq)	14	21	35
Sabre (Naseem Beg)	13	6	19

Details were as follows :

*Juniors :* 1. Mansoor Ahmed (T) 2. Saleem A. Nawaz (F)  
and Shahid Gany (T)

### **The Individual Swimming Championship 1966**

Although Anwarul Haq won this Championship two years earlier, when he was quite a junior, this year he was beaten into second place by Ekramul Haque, who came first in both the Breast Stroke and Back Crawl and was second in the Front Crawl. It is interesting to note that this championship has always been won by an East Pakistani.

The result was as follows :

<b>Front Crawl.</b>	<b>Back Stroke .</b>	<b>Breast Stroke.</b>
1. Anwar (685A)	1. Ekram (622T)	1. Ekram (622T)
2. Ekram (622T )	2. Anwar (685A)	2. Abraham (613F)
3. Bajwa (607A)	3. Mukhles (766F)	3. Anwar. (685A)

The points scored were :

1. Ekram	16	3. Abraham	4
2. Anwar	12	4. Bajwa )	2
		Mukhles}	

The School Swimming Captain in 1966 was Naseem Beg. School Colours for Swimming were awarded to Ekramul Haque. Anwar was already a Colour-holder.

## FOOTBALL

Although the Football team won five and lost only two of the matches played in 1966, we cannot claim that it was any stronger than in previous years; in fact, there was no outstanding player of the Meezan class. We lost to Lower Topa away and beat them here by the same margin.

School Colours for Football were awarded to Ekram-Ul-Haque, Fahim and Saadat. Old Colour-holders were Arman Habib, Ehsanullah and Kausar.

The School team consisted of:

1st Term : Saadat ; Arman and Ekram (Capt); Kausar, Ehsanullah and Saeed Afzal ; Majid, Fakhrul. Fahim, Feroze and Bakhtiar.

2nd Term : Saadat ; Khattak and Ekram (Capt); Anwar, Iqbal Habib and Khalid ; Rafique, Humayun, Fahim, Nasir and Bakhtiar.

Also played : Javed Khan, Siddiqi, Hameed (F), Mukhles, Hamid (T).

School Colours were awarded to Ekram-ul-Haque, Fahim, and Saadat.

Details of School matches :

Opponents.	Result.
<i>Azad Clnb</i>	Drawn 1-1 (Fahim)
<i>P.A.F. School, Lower Topa</i>	Lost 1-3 (Feroze)
<i>Cantt. Public School</i>	Won 12-0 (Fahim 5, Bakhtiar 3, Javed Khan 1, Ekram 1, Fakhrul 1)
<i>School Staff</i>	Won 4-0 (Fahim 3, Rafique 1)
<i>Alam Club</i>	Won 3-1 (Bakhtiar 2, Fahim 1)
<i>Govt. College, Sargodha</i>	Won 2-0 (Fahim 2)
<i>P.A.F. School, Lower Topa</i>	Won 3-0 (Fahim 2)
<i>Alam Club</i>	Lost 0-6

### The Inter-House Football Competition 1966

Tempest House, whose Seniors won all their matches, won the Cup with Sabre a close second. The standard of play in the senior matches was not particularly high but the keenness to win was much in evidence. Fury seniors revealed their true form only in their 5-0 victory over Attacker—by far the highest score in the competition.

The final result was :

- |            |           |             |           |
|------------|-----------|-------------|-----------|
| 1. Tempest | 8 points. | 3. Fury     | 5 points. |
| 2. Sabre   | 7 points. | 4. Attacker | 4 points. |

Details of the matches are as follows :

**Seniors.**

Tempest beat Fury 1-0  
Tempest beat Attacker 3-0  
Tempest beat Sabre 2-0  
Sabre beat Attacker 1-0  
Fury beat Attacker 6-0  
Sabre drew with Fury 1-1

**Juniors.**

Attacker beat Sabre 2-1  
Attacker beat Tempest 3-0  
Sabre beat Fury 1-0  
Sabre beat Tempest 3-0  
Fury beat Attacker 4-1  
Tempest beat Fury 3-0

Team Captains were :

**Seniors.**

*Sabre :* Rashid Ahmed.  
*Fury :* Fahim-ur-Rehman.  
*Attacker* Iqbal Habib.

**Juniors.**

Iqbal Hussain.  
Yousuf  
Mukhles.  
M.A. Siddiqi.

## HOCKEY

The Hockey team lost only one match during the year—the away match against Lower Topa—and that by the smallest possible margin. Strangely enough, although seven of the first team left in April, the team fared better in the second term. The main goal-scorer was a very junior boy, Qamaruzzaman, whose stickwork reminds us of Khizar and Rauf—heroes of bygone days.

Details of the School matches and goal-scorers are given below :

Opponents	Result
<i>City Club</i>	Won 6—2 (Feroze 3, Qamar 2, Toor 1).
<i>P.A.F. School Lower Topa</i>	Lost 0—1
<i>City Club</i>	Drawn 4—4 (Saadat 2, Javed Khan 1, Qamar 1).
<i>Govt. College, Sargodha</i>	Won 4—0 (Toor 2, Qamar 1, Bajwa 1).
<i>Govt. College, Sargodha</i>	Won 4—0 (Saadat 1, Qamar 1, Talat 1, Bajwa 1).
<i>Govt. College, Sargodha</i>	Won 3—0 (Qamar 2, Saadat 1).
<i>P.A.F. School, Lower Topa</i>	Won 5—0 (Qamar 3, Saadat 1, Talat 1).

The School team consisted of :

1st Term : Rashid Ahmed ; Saeed Afzal & Zaki ; Mehdi Reza, Ehsanullah & Mahmud Gul ; Javed Kausar, Feroze, Qamar, Yasin & Saadat.

2nd Term : Rashid Ahmed ; Naseem Beg & Rana Javaid ; Arshad Toor, Javed Khan & Masood Hussaini ; Talat, Saadat, Qamar, Yasin & Bajwa.

School Colours for Hockey were awarded to Saadat, Yasin, Naseem Beg, Toor, Rashid Ahmed.

### The Inter-House Hockey Competition 1966

Thanks mainly to their Juniors, who won all their matches, Fury won the Shield, with Sabre only 1 point behind. The only unbeaten senior team was Tempest, but as their Juniors failed to score a point, they had to be content with third place.

The final points were :

1. Fury	8 points	3. Tempest	5 points
2. Sabre	7 points	4. Attacker	4 points

Details of the matches are given below :

Seniors				Juniors			
Tempest	beat	Fury	3—0	Fury	beat	Sabre	1—0

### P.T. AND GYMNASTICS 1966

The mass P.T. display on Founder's Day, December 1966, was certainly the best that has ever been given here. In fact, it was the highlight of the Day and every exercise drew forth loud applause from the spectators. Even the Risalpur Cadets, who are always disposed to criticize our efforts, had to admit that it was a very creditable show. The display was commanded by Omarul Huda, the School Head Boy, with Iqbal Habib, also of Attacker House, once again the leader.

The Gymnastics team also gave its usual display. It was a pity that Yasin, the outstanding gymnast, had to give up because of a previous injury. Although many of the gymnasts were comparatively young, they gave a very creditable and courageous display and even the somersaults over the long box were performed without any support.

The Gymnastics team consisted of :

Abu Zafar (Capt), Yasin, Ekramul Haque, Masood Hussaini, Sohail Malick, Rafique Sarkar, Anwarul Haq, Hameed Afzal, M.A. Siddiqi and Mohd Ilyas.

School Colours for Gymnastics were awarded to Abu Zafar, Rafique Sarkar, Sohail Malick and Anwarul Haq. Old Colour-holders were Yasin, Ekram and Masood.

## Inter-House P.T. and Gymnastics Competition 1966

There was very little to choose between Sabre and Fury at P.T., the former gaining a lead of 1 point. As a matter of fact, two of the judges placed Fury first, and most of the spectators were of the same opinion. But there was complete agreement among the judges regarding Gymnastics. All three rightly placed Attacker first by a good margin, so that they won the over-all competition by a fair margin. All five of their Gymnastics team took part in the display on Founder's Day.

The details were as follows :

	P.T.	Gymnastics.	Total.
1. Attacker	209½	183½	393
2 Sabre	220	165½	385½
3- Fury	219	160	379
4. Tempest	210	163	373

The Commanders and leaders of the teams were :

	P.T. Commander.	P.T. Leader.	Gymnastics Commander
<i>Attacker :</i>	Omarul Huda	Iqbal Habib	Abu Zafar
<i>Sabre :</i>	Rashid Ahmed	Qamaruzzaman	Rafique Sarkar
<i>Fury :</i>	Yasin Hasham	Hameed Afzal	Yasin Hasham
<i>Tempest :</i>	M.A. Qayyum	Ekramul Haque	Ekramul Haque

Yasin (604F) was declared the best Commander in P.T. and Gymnastics.

## THE INTER-HOUSE DRILL COMPETITION 1966

Once again it became obvious that a new system of marking must be devised for the Drill Competition. That something is obviously wrong with the present system is proved by the fact that all three judges placed different Houses top in the senior Flights ; while in the junior Flights two judges placed Attacker top but the third adjudged them bottom ! All that we can say without much fear of contradiction is that the all-round standard was as high as ever and that Attacker House merited being placed first because their Junior Flight was clearly the best.

Because of the uncertainty in the present system of marking, the Drill Competition probably causes more disappointment than any other. But, no matter whether his House wins or loses, no boy must ever imagine that the time and hard work spent on preparation for it is in any way wasted. When boys get to Risalpur, they certainly realise the value of the drill they have learnt here.

Details of the points scored are given below :

	Senior Flight	Junior Flight	Total
Attacker	174½	173½	348
Sabre	175	164½	339½
Tempest	167	171	338
Fury	167	169	336

The Flight Commanders were :

	Senior Flight	Junior Flight
<i>Attacker</i>	Omarul Huda	Mohd Saleem Khan
<i>Sabre</i>	Rashid Ahmed	Yousuf Amin-ul Haq
<i>Tempest</i>	Ekram-ul-Haque	Mansoor Ahmed
<i>Fury</i>	Yasin Hasham	Anwar Hamid

## THE INTER-HOUSE ATHLETICS COMPETITION 1966

There was a keen struggle between Attacker and Fury for first place. In fact, the issue was not decided until the last event, by winning which Attacker won the Cup by a 6 points lead over Fury. Fury were unlucky in so far as Yasin, their star performer, was unable to compete in some events because of injury. Attacker, however, were equally unlucky for they were disqualified for a mistake in the take-over in the Junior Medley Relay, which they would otherwise certainly have won. Attacker seniors were far superior to their rivals, while the same applies to Fury Juniors.

The best Senior Athlete was Rana Javaid (614 A), who set up a new School record of 16.1 seconds in the 100 metres High Hurdles, besides winning the 200 metres Hurdles and the High Jump. The runner-up was Nayab Iftikhar (703 A), who equalled the School record in the 200 metres and also won the 100 metres, besides coming 2nd in the Hop-Step-Jump. But for injury, Yasin would certainly have beaten the School record he already held in the Pole Vault. It is likely that he would have cleared well over 10 ft.

Siddiqi, who won all the events in which he took part, was the best Junior Athlete, with Shafiq (693 F) the runner-up. Both show such promise that they should topple some School records in the next two or three years.

The School Athletics Captain was Rana Javaid Akhtar (614 A). School Colours for Athletics were awarded to Nayab Iftikhar. Old Colour-holders were Rana Javaid and Yasin.

The points scored in the Inter-House Athletics Competition were :

	Seniors	Juniors	Total
Attacker	92	43	135
Fury	50	79	129
Tempest	45	24	69
Sabre	29	34	63

P.T. Display on Founder's Day—December 1966

The Principaj. Mr. H. Catchpole, reading his address—Founder's Day—December 1966

## FOUNDER'S DAY, 10TH DECEMBER, 1966

It has now been decided to revert to the old custom of having the School Founder's Day in December instead of at the beginning of March. There are two main reasons for this decision. First, the weather is better in December; secondly, the introduction of the Matriculation in the School makes it undesirable that Founder's Day should be held in March just before the examination takes place.

The Guest of Honour on this occasion was Air Commodore M. A. Dogar, S. J., S.Q.A., Asst: Chief of Air Staff (Admin). As the band of the Ambala High School was not available on this occasion, the Principal of the Police Training School kindly put his band at our disposal. Though small in numbers, this band played its part and its music admirably with the result that the March Past, with which the proceedings opened at 2 p. m., went off very well. The same, however, cannot be said of the Aero-modelling display which followed. Two models crashed ignominiously soon after taking off, while another refused to start. Fortunately Naeyem Sheikh flew his control-line model beautifully and thrilled the spectators by making it dive almost vertically to within inches of the ground before bringing it up again.

The next item was a display by the School Gymnastics team, which included several comparatively young boys. It says much for their courage that they performed all the exercises, including somersaults over the side and long box, without any support from the instructor, Mr. Ali Sher. An unrehearsed incident added interest to the proceedings when one of the mats caught fire when the Gymnasts were diving through the fire ring.

A mass P.T. display by the whole School was the next event and this proved to be the highlight of the day. The timing was well-nigh perfect and drew round after round of applause from the spectators. It was certainly the best P. T. display of any so far given on Founder's Day.

Some events of the Inter-House Athletics Competition followed. In the events decided earlier Attacker House had gained a slight lead but at one stage on this afternoon Fury managed to overtake them. However, Attacker fought back strongly and eventually emerged winners of the Athletics Trophy.

After the Inter House Athletics finished, there were some light-hearted events. Flt/Cdt. Feroze won the Old Boys race, while the tug-of-war between the Staff and Old Boys was remarkable mainly for the amount of cheating by both sides. The obstacle race for the Prefects, the final event, was won by Qayyum of Tempest House.

The Principal then read out his report on the progress of the School during 1966. He mentioned that a record number of 34 boys, out of the annual output of 50, had gained admission to the P.A.F. College, Risalpur, during the year; while there had been no failures in the Senior Cambridge/G. C. E. Examination, 38 boys gaining School Certificates and 3 the G. C. E.

The Chief Guest then presented Gliding Wings to the 29 boys who had won them this year. He also gave away the academic prizes, the Inter-House Trophies, various individual prizes, and School Colours to those who had been awarded them during the year. The Championship Shield for the best all round performance in the Inter-House events was won by Fury House for the third successive year and the eighth time in thirteen years.

The Chief Guest then addressed the gathering. He said that this was his first visit to the School and he had been much impressed by what he had seen. He congratulated the staff and boys on the excellent progress the School had made during the past year. He was particularly pleased at the increasing number of boys being sent to Risalpur and he hoped that in course of time the two P.A.F. Schools would supply Risalpur with nearly all the Cadets that were needed. He emphasised the importance of quality. It was quality, he said, that had enabled the P.A.F. in last September's war to achieve success against an enemy who was vastly superior in quantity.

## S.A.T.C. WING ACTIVITIES

### Gliding

Gliding, which was stopped for a considerable period on account of the emergencies in 1965, was resumed on 1st March 1966. Ft. Lt. Akbar continued as our senior instructor. We wish to congratulate him on his recent promotion to the rank of Squadron Leader. W/O Maqscod-ur-Rehman, assistant instructor, left us in May 1966, after rendering devoted service for nearly two years. We welcome in his place Flt. Sgt. Abdul Ghafoor.

The following 28 boys gained their 'Wings' in 1966.

#### Fury House

Rizwan Qayyum	(586F)
Mohd Yasin Khan Hasham	(604F)
Tariq Ali Khan	(612F)
Abraham Qaiser	(693F)

S. Abu Zafar	(614A)
Md. Humayun Kabir	(620A)
S. Majid Ali Kazmi	(628A)
Talat Mahmood	(641A)
Md. Iqbal Habib	(642A)

#### Tempest House

Sarfraz Arshad Toor	(609T)
Ekramul Haque	(622T)
Shabbir A. Siddiqui	(630T)
Mominul Islam	(653T)
Md. Abdul Qayyum	(644T)

The Gliding Trophy, awarded to the House winning the greatest number of 'Wings' during the year, was won by Fury House. Sabre House were a close second.

### Aero-Modelling

The Aero-Modelling Club, under the expert supervision of Sgt. Isa Khan, was as active as the shortage of models and engines permitted. This shortage meant that some distinctly veteran models had to take part in the display on Founder's Day. Two of the models, which were to fly in the same circle and chase each other, came to grief soon after take off when the control-lines got entangled. Sohail's model flew quite well, but far the best performance was given by Naeyem Ghafoor Sheikh, who showed exceptionally skilful control of his model.

Those who flew models on Founder's Day were Saeed Ahmed, Sohail Mallick, Laseeq Ahmed, Naeyem Ghafoor Sheikh and Nadeem Aziz.

The Secretary of the Club was Saeed Ahmed.

## LIFE AT THE P.A.F. COLLEGE, RISALPUR

My main object in writing this article is to give those who are to join the P.A.F. College, Risalpur, a few hints which may prove useful to them. After all, 'Fore-warned is fore-armed'. It is better to know the pitfalls beforehand than to learn of them by bitter experience—as I did.

In the first place newcomers now no longer need be scared about 'ragging'. There was a time when the 'ragging' of newcomers by the seniors was so unpleasant, so humiliating and degrading, that some boys were reluctant to join Risalpur, or, having joined, wished they hadn't. This is now old history, and the College authorities have very wisely taken firm action to put a stop to this blot on its reputation. Of course the barber still has his little joke. Almost the first place to which a newcomer is directed is the barber's shop; and the barber has curious ideas as to the style of hair-cut best suited to newcomers. Even one's girl friend would hardly recognise one, or would hardly care to do so, when one comes out. 'Hero to zero' aptly describes the transformation. However, what does it really matter? It will grow again.

During the first term, and especially in the early part, the main aim of the authorities is to help the Cadets to adjust themselves to their new, and very different, life; and considerable allowances are made for mistakes being made through new Cadets not being familiar with all the rules and regulations. Still, a newcomer is strongly advised to make himself acquainted with the regulations as soon as possible. He should pay particular attention to smartness in turn-out and bearing. He must swing his arms properly when walking—at any rate when any senior is in the vicinity. And he must 'wish' Staff and Seniors in a polite and sensible way and remember to call them 'Sir'. Above all, a newcomer should never try to be over-smart or be a show-off in any way. He should be smart, modest, and keen on all the activities in which he has to participate, but he should never try to make himself conspicuous.

Studies are very important at Risalpur. If a Sargodhian does a reasonable amount of work, he should not find himself in difficulties academically for he starts with a considerable advantage over most other entrants due to the superior knowledge of English he has acquired by being a Senior Cambridge student.

As the medium of instruction is English and as a greater weightage is given to English than to any other subject, this advantage is a very real one. Moreover, Cadets are expected to speak in English at all times. The other subjects are by no means difficult and there can be no reason, other than idleness, for faring poorly. The number of subjects is about 8 in the first term, rising to about 14

in the second, and then decreasing to 7 and 6 in the last two terms. Some Sargodhians seem to have the idea that once they get to Risalpur all is plain sailing. This is by no means the case and the sooner they realise this the better.

The second term is perhaps the toughest, with the maximum of everything—maximum studies, maximum sports and maximum punishments. The number of subjects is nearly doubled and this means regular work to escape relegation or termination. Extra activities in General Service Training in this term include Shooting, Gliding and Riding. Cadets in their second term can no longer escape punishment by pleading ignorance of rules and regulations, hence punishments are unpleasantly frequent.

The third term is the one that decides the fate of most Cadets for it is in this term that they start flying training. This is, of course, by far the most interesting phase of a Cadet's life. Most Cadets feel a bit air-sick in the early stages but they must not be discouraged by this as it is usually a passing phase. Nor must a cadet get discouraged if he finds the instructor a bit tough with him when he persists in making mistakes. Instructors have a playful habit of bringing an erring pupil to his senses by a sharp rap on the inside of the knee with the joystick, by causing a pupil's head to come in sharp contact with the canopy by a sudden forward movement of the stick, or by a dose of aerobatics. And a Cadet may find his vocabulary increased by a few new expressive words. But these little pleasantries on the part of the instructor are all part of the game and must be taken in the right spirit. Instructors are a long-suffering race and can hardly be expected not to express their displeasure fairly forcibly at times. Sargodhians have a considerable advantage when it comes to flying as they have almost all been solo in the glider at the School and are thus familiar with the basic principles.

On the T 37 a Cadet normally goes solo after about 20 hours' instruction, but it takes considerably longer on the Harvard. Some Sargodhians of my course did go solo in the Harvard in less than 20 hours in their first term and Shahid Kamal, now at Cranwell, set up a record of 16 hours, but this is quite exceptional. The Harvard is generally considered a difficult and uncomfortable plane compared with the T 37. Flying training includes aerobatics, formation, cross country and night flying. The latter is particularly interesting and one can add to the enjoyment by listening to songs & music on the radio.

In their final term, the Cadets are the 'bosses' of the College and they have considerable privileges. But they also have considerable responsibilities for if anything goes wrong in the College they have to answer for it to the Squadron Commander. Nor can they afford to take it easy with Graduation so close at hand. There can be no greater disappointment for a Cadet than to find himself terminated

or relegated when so near the coveted goal, and this is not likely to happen if he does not slack off. And so at last the great day arrives and those who have survived all the hazards of the two years' course receive the proud reward for it all—a commission in the Pakistan Air Force.

There are various other points about life at Risalpur which will be of interest to aspiring entrants. 'Every youth has a wolf in his belly', and certainly the strenuous life at the College is productive of a very healthy appetite. This is well catered for by the College authorities. The food is good and ample—probably better than in most officers' messes. The Pay—Rs. 170 per month—is quite adequate provided one is not unduly extravagant and doesn't smoke a lot—a habit which, though not forbidden, is frowned on by the College authorities.

P.T. and Drill are both pretty tough at Risalpur and Drill is especially important. No boy at Sargodha should get the idea that the P.T. and Drill he does at Sargodha is a waste of time. They stand him in good stead when he gets to Risalpur and help him to escape a good deal of trouble.

Punishments at Risalpur really are punishments. An Extra Drill at Sargodha is a mild affair—unless the Principal happens to be watching. But at Risalpur Extra Drills are distinctly unpleasant. Marching and doing double mark time for half an hour with a rifle held out in front or above one's head makes one sweat even in the winter so it can be imagined what it is like in the summer.

Restrictions, normal up to 3 but may even go up to 28, are a more serious form of punishment. They necessitate attending all Extra Drills for the period, no leave, and reporting at regular intervals. Another form of torture are Assemblies, which are held quite frequently. These are not intended as a punishment but to give out instructions and advice or to emphasise College orders. The Cadets at Assemblies have to sit cross-legged and absolutely motionless from one to two hours while Seniors address them from time to time. And if anyone stirs the torture is prolonged. It's sheer agony—and what makes it worse is that it's usually just for nothing.

There are plenty of clubs one can join if one feels inclined, such as aeromodelling, photography and music, or one can take part in dramatics or debating contests. One can visit Nowshera every Sunday—unless on restrictions—and go on week-end leave to Peshawar once a month. So life can be quite pleasant, or at any rate one imagines it can be—after one has left!

## THE SCHOOL LIBRARY

The importance of a well-stocked library and a reading room in an educational institution, such as ours, which aims at producing officers for the Air Force, need not be stressed here. The training of a potential leader of men is quite a subtle affair. Besides so many other qualities he must be well equipped with the latest information and knowledge. We have heard it being said that anyone who lacks brains would find a place in the Armed Forces, because brains are what you don't need there. This is a very incorrect picture of a good officer in any of the Armed Services. Without an alert mind and a fair amount of common sense, apart from the technical know-how, it is not possible to become a really efficient officer.

Our College library aims at providing suitable reading material to the boys in order to broaden their out-look and equip them with information, which is not possible with the text only.

The library now contains well over seven thousand books. During the current financial year we have added 190 Urdu books and 336 English books, on various subjects. The difficulty of getting Bengali books in West Pakistan need not be mentioned here; but I am glad to say that we have recently received the first instalment of 38 Bengali books, from East Pakistan, and we are hoping that the other instalments will follow soon.

We are grateful to the Asia Foundation for making a gift of 32 valuable books to the library. We are also grateful to Air Marshal Asghar Khan for sending us an English-Urdu Dictionary, as a gift.

In the reading room we have three English, one Urdu and one Bengali dailies. We are at present contributing to 13 English and 7 Urdu magazines.

Through the keen interest of the Principal, we have been lucky to add a portion of the back verandah to the library in October last year. This is a very welcome addition, because we have been able to shift the office and the Reference Library to the newly constructed portion. The main portion was getting rather overcrowded and it had become difficult to accommodate new almirahs there.

The race between the arrival of new books and the availability of new almirahs for stocking them, still seems to continue. After long and patient waiting we received two new almirahs from the M.E.S. in January this year. These have already been filled up. There are still a large number of books, however, which cannot be put on the shelves because of lack of space. We have been promised another two almirahs soon and we hope the M.E.S. will not disappoint us.

## THE PHOTOGRAPHIC CLUB

*President :* Mr. Abdul Jabbar Khan

*Secretary :* Naeyem Ghafoor Sheikh

The cost of photographic films and papers has gone very high and photography has become a very expensive hobby, but in spite of this there appeared to be no lack of enthusiasm among the members. As usual, a very large number of boys applied for membership last term, but only forty could be accepted. This time we tried a new experiment in the Club of changing a print into a negative and it proved very successful. Many members who had lost the negatives of some valuable prints in their possession changed them into negatives and thus could get more prints. We intend to put up a board outside the Camera Club where the members can display some of their best photographs. The quality of work in the Club is now of a fairly good standard.

## THE SCIENCE CLUB

The Club has set up a new workshop out of the equipment received through the Australian High Commission. This will greatly add to the scope of our scientific activities.

A medium-wave transistorized receiving set has been assembled and added to our show-room. Among other projects the Club is contemplating the assembly of a television camera and a receiving set. We hope this project will be completed and put to practical use before long provided there are no financial obstacles.

There is no truth in the rumours that the Club is manufacturing a hydrogen bomb and also preparing to send a boy into space.

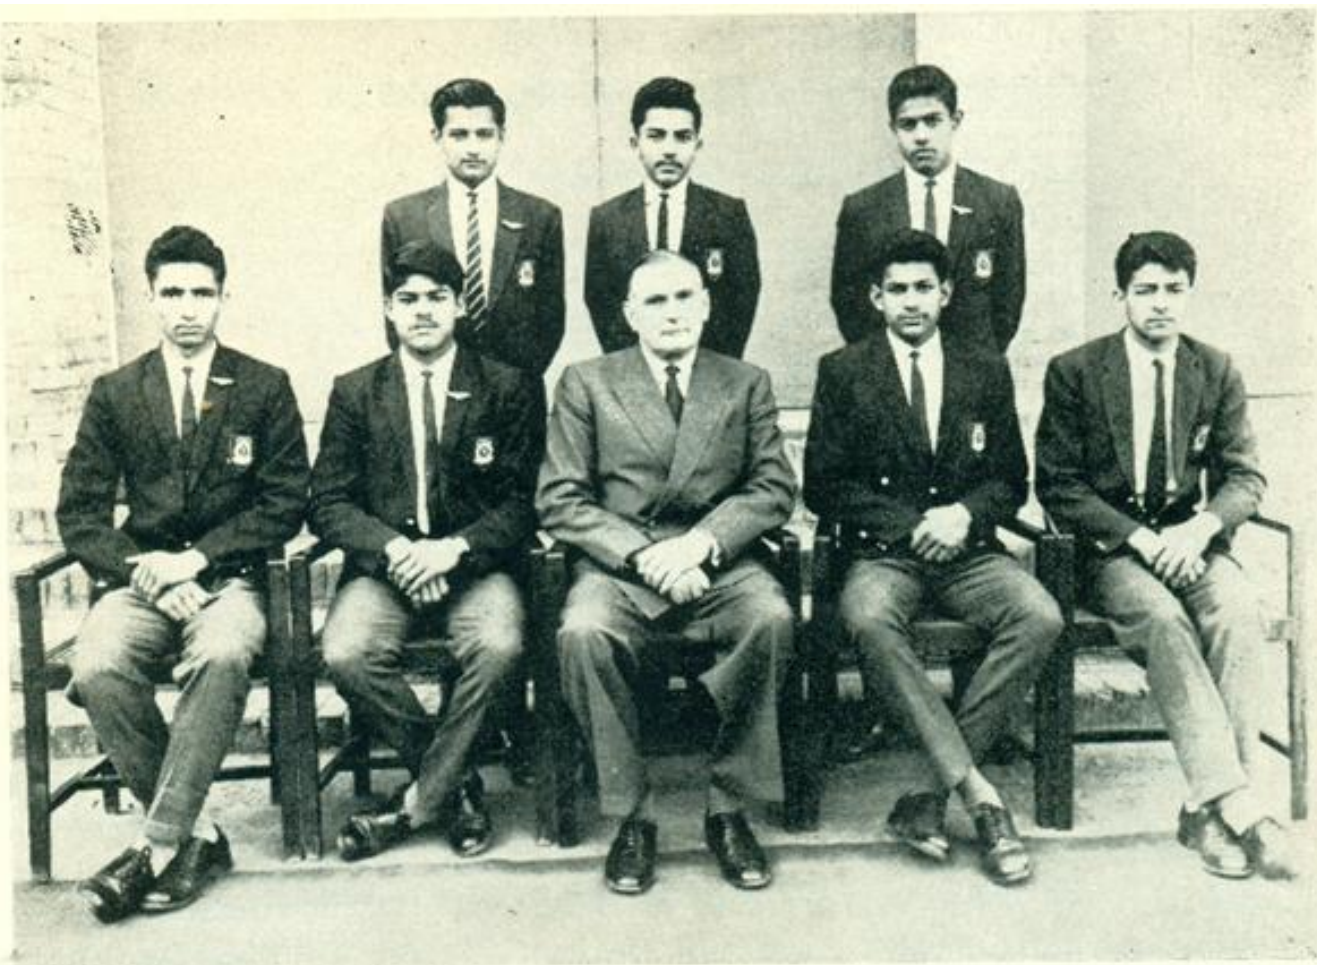

Hamid Abbas  
(Secretary)

## THE CINEMA CLUB

The weekly cinema shows continued to enjoy popularity in spite of the fact that a few of them were repeated as new films were not available due to import restrictions.

Several educational films on child psychology, hygiene, general science, geography and sports were exhibited along with feature films through the courtesy of the U.S.I.S. and the B.I.S.

## ANNUAL REPORT OF THE ISLAMIC SOCIETY

The following represented their respective Houses in the past year :

- Attacker* : K. M. Sherbaz Khan, Talat Mahmood, Iqbal Habib.  
*Fury* : M. Saleem Khan, Rashid Anjum, Fazal-ur-Rehman.  
*Sabre* : Pervaiz Akhtar, Naeem Sheikh, Naseem Baig.  
*Tempest* : Mohammad Naeem, Saadat, Shabbir.

Mr. M. A. Jabbar, our Islamiat teacher, continued as the President of the Society while K. M. Sherbaz Khan (711—A) acted as the Secretary.

In the past year the chief aim of the Society has been to hasten the starting of the construction of the Mosque. The efforts of the Society were not in vain. We are very grateful to the Principal for his sincere co-operation with the Society. The construction of the Mosque is expected to start very soon.

The Shab-i-barat function was held on 10th November but the S. C. formers were not able to attend the function because the S. C. Examination was going on. After prayers a competition for 'Naat' and recitation from the Holy Quran was held. The results were as given below :

- |                       |                               |                           |
|-----------------------|-------------------------------|---------------------------|
| <i>Recitation</i> :   | 1. K. M. Sherbaz Khan (711-A) | 2. Rauf-ur-Rehman (789-A) |
| <i>Urdu Naat</i> :    | 1. K. M. Sherbaz Khan (711-A) | 2. Bahri Kamal (822-S)    |
| <i>Bengali Naat</i> : | 1. Mamoon (744-F)             | 2. Reza-ul-Haq (699-S)    |

At the conclusion the Imam delivered an informative lecture on Islam. Finally sweets were distributed among the boys.

During the month of Ramzan, the Taravi prayers were held in Fury House. The number of boys, who came for prayers, was very small because the Terminal Examination was to start on the 13th of Ramzan. Khatm-i-Quran had to be held on the night before the 17th of Ramzan for the winter break was starting on the 19th of Ramzan.

KANWAR MOHAMMAD SHERBAZ KHAN,  
SECRETARY,
