The electric train was out of order, so the boys walked a little distance. The guide was an interesting man who kept briefing them about the history of the mines. Boys seemed very keen to learn more and more about the 18 layered mines reportedly discovered during the time of Greek invader Alexander-the Great. There were different models of buildings erected for the interest of the tourists. They were thrilled to see the model of a mosque and Minar-e-Pakistan built with salt bricks of different colours. There was also a small hospital built inside the mines for the patients of asthma. The guide also informed them that the mines produce 4, 66,000 tons salt annually. There was also a small café for tourists to have drinks and snacks.

After spending around two hours inside the mines, the boys boarded the buses to visit the ICI Soda Ash Plant, that is not far from the mines. After taking a general view, the host engineers told them that the plant was established in 1929 and started commercial production in 1944. It produces 2, 80, 000 tons of different products annually, which meet approximately 70% of the country's total Soda Ash requirement. The plant manufactures Light Ash, Dense Ash and Sodium Bicarbonate used in chemicals, detergent, glass, paper, tannery and textile industries. After the briefing, they proceeded for lunch.

After lunch, they said goodbye to their hosts and at 1500 hrs, they took the return journey. Around 1700 hrs, the buses entered the school safe and sound.

Next morning, the first was the basketball match. Each side scored 32 points. On the same day in the afternoon, the hockey match took place. Unfortunately, Sargodhians lost it too.

That evening after a delicious dinner, there was a brief exchange of welcome and thank you notes followed by presentation of souvenir by the head of Chand Bagh School to the contingent commander.

At the end, they were 15 runs away from the target. The Cbstians won the fixture but they acknowledged that Sargodhians with their discipline and behaviour were adoringly enviable. عمید افضلی کی چھٹیوں پر جانے سے پہلے پی اے ایف پبلک سکول سرگودھا کے اسپورٹس سیکشن نے سال اول کے طلباء اور اسکول کے اساتذہ کے مابین والی بال کا چیلنج میچ منعقد کروایا۔ اس میچ کے مہمان خصوصی اسکول کے پرنسپل ایئر کموڈور (ر) طیب نعیم اختر تھے۔ اساتذہ کی ٹیم کی قیادت ونگ کمانڈر پرویز اختر کر رہے تھے جبکہ طلباء کی قیادت فالکن ہاؤس کے سال اول کے طالب علم یعقوب کے ہاتھ میں تھی۔ مہمان خصوصی کے آتے ہی میچ کا آغاز ہوا۔ میچ کے آغاز سے ہی طلباء میں تجربے کے فقدان نے مخالف ٹیم کا پلڑا بھاری رکھا۔ پہلا سیٹ اساتذہ کی ٹیم کے نام ہوا۔ دوسرے سیٹ کے آغاز سے ہی طلباء نے جوش و جذبے کا مظاہرہ کیا اور اسکور میں برتری حاصل کرنے میں کامیاب رہے۔ یہ برتری سیٹ کے آخر تک برقرار رہی اور طلباء دوسرا سیٹ جیتنے میں کامیاب ہو گئے۔ مہمان خصوصی اور دیگر اساتذہ کرام میچ سے بہت لطف اندوز ہو رہے تھے۔ تیسرا سیٹ پھر اساتذہ کی ٹیم جیتنے میں کامیاب ہو گئی اور یوں یہ میچ 2-1 کے سیٹ سے اساتذہ کے نام ہوا۔ میچ کے اختتام پر دونوں ٹیموں کے کپتانوں کو اسناد دی گئیں۔ اس میچ کے انعقاد کا دراصل مقصد طلباء اور اساتذہ کے درمیان ہم آہنگی اور محبت کی فضاء پیدا کرنا تھا۔ یہ مقصد بلاشبہ پورا ہوا تھا۔ امید ہے کہ اسکول انتظامیہ آئندہ بھی ایسے مقابلوں کا انعقاد کرتی رہے گی۔

18 اکتوبر 2011 کی خوشگوار صبح کو ۴۳ ویں انٹرنی نون ٹیکسٹائل مل اور مونا ڈپو کی سیر کرنے کے لئے صبح 8 بجے اسکول سے اپنی منزل کی طرف روانہ ہوئی۔ سفر پرسکون، آرام دہ اور دلچسپ تھا۔ ٹھیک 9 بجے ہم مع اسکوارڈن لیڈر جاوید عزیز اور فلائیٹ لیفٹیننٹ تصور عالم کے نون ٹیکسٹائل مل کی دہلیز پر تھے۔ ہمارا استقبال کرنے کیلئے جناب افتخار علی وہاں موجود تھے کچھ دیر بات چیت کرنے کے بعد ہم فیکٹری کے اس حصے میں تھے جہاں دھاگہ بن رہا تھا۔ شور و قوت برداشت سے باہر تھا مگر ذہن میں ایک ہی بات تھی کہ

آنکھ جو کچھ دیکھتی ہے لب پہ آ سکتا نہیں
محو حیرت ہوں کہ دنیا کیا سے کیا ہو جائے گی

ہمیں تقریباً فیکٹری کی ہر مشین کے متعلق بتایا گیا اور بہت سی دلچسپ معلومات کا خزانہ ہمارے گوش گزار کیا گیا۔ اس فیکٹری کا بجلی کا بل 98 لاکھ یعنی تقریباً 1 کروڑ روپے ماہانہ تھا۔ ایک مکمل سروے کے بعد ہم سب پیٹ پوجا کیلئے بے تاب تھے اور دوسری طرف مزید ارسامو سے، مٹھائیاں اور مشروب ہمارے منتظر تھے۔ طبیعت سیر ہونے کے بعد ہم نے افتخار صاحب سے اجازت مانگی اور کچھ ہی دیر میں ہم "ریماؤنٹ ڈپو مونا" (بھولال) کی طرف رواں دواں تھے۔ آدھے گھنٹے کی مسافت کے بعد ہم مونا ڈپو بھی پہنچ گئے۔ مونا ڈپو کا پہلا کمانڈ انٹ کیپٹن ٹیمپلر تھا۔ اس ڈپو کا مقصد فوج کو خچر مہیا کرنا تھا جو یہ اب بھی کر رہا ہے اور فوج کو 200 تک گھوڑے اور خچر سالانہ مہیا کرتا ہے۔ ہمارے گائیڈ نے بتایا کہ اس کا رقبہ 10,382 ایکڑ ہے اور اس میں 5,000 جانور ہیں جن میں گدھے، گھوڑے، خچر، بیل، گائے، بھیڑیں اور بکرے شامل ہیں۔ ان دلچسپ باتوں کے بعد ہمیں "ہاتھم ہال" لے جایا گیا جہاں ہم گرم گرم کھانے سے لطف اندوز ہوئے۔ کھانا کھانے کے بعد ہم سب اپنی مدد آپ کے تحت مونا ڈپو کی پیدل سیر کو نکلے بہت سے جانور دیکھنے اور ٹہلنے کے بعد ہم اکٹھے ہوئے اور پھر وہ وقت آن پہنچا جسے کوئی پسند نہ کرتا تھا یعنی "واپسی کا سفر" ہم اپنی اسکول کی بسوں میں سوار ہوئے اور عین 4 بجے اپنے اسکول کی دہلیز پر قدم رکھا۔

اس انمول سفر سے ہمیں بہت کچھ سیکھنے کو ملا، معلومات کا ڈھیر اور بہت سی ایسی باتیں جس سے بہت سے طلباء ناواقف تھے۔ الغرض سفر بہت پر لطف تھا اور سب سے بڑی یہ کہ الحمد للہ پوری انٹرنی صبح سلامت اسکول واپس آ گئی۔
